

# BURUNDI REGIONAL REFUGEE RESPONSE PLAN

## Tanzania: 2018 End Year Response

1 January - 31 December 2018

### PROTECTION

**5,152** children with specific needs received **Individual Case Management support**

**100%** of SGBV survivors received counselling and offered appropriate assistance in 2018

A shortage of Caseworkers remained resulting in a low caseworker to refugee ratio of **1:135**.

### EDUCATION

**78.5%** of primary school children were enrolled into primary education

**1,450**

teachers were trained on the code of conduct and prevention of **sexual exploitation and abuse**.

Only **14.4%** of secondary school children are enrolled in secondary education

### FOOD

**>199,000** Burundian refugees received **unconditional food transfers** in 2018.

**100%** Refugees benefitted from food assistance in 2018

**Cash Based transfer programme remained suspended.**

### HEALTH AND NUTRITION

**96%** deliveries of the **12,300** births carried out **by skilled health professionals**

**544,841** consultations carried out in 2018

**More funding required to better equip health facilities at the Camp level**

### LIVELIHOODS AND ENVIRONMENT

**>10,000** Burundian Refugees received livelihoods support.

Environmental awareness raising reached **50%** of the Burundian refugee population.

**Closure of common markets and businesses limited refugee and host community livelihoods opportunities.**

### SHELTER AND NFIs

**4,470** Shelters constructed in 2018

**7** Buildings to support service delivery constructed in 2018.

**40%** of Burundian Refugees continue to live in **dilapidated emergency shelters**.

### WATER, SANITATION AND HYGIENE

Water supply coverage increased to **21.7L** per person per day.

Household latrine coverage increased from **38% to 43%**.

Only 250g soap/person/month distributed which is **below the SPHERE** minimum standards.
