OVERVIEW

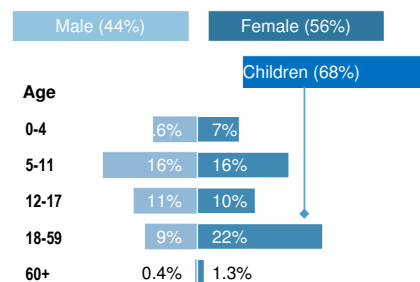

Jewi Refugee Camp was established on 15 March 2015 and hosts refugees relocated from Leitchour and Nip Nip following floods that left refugees in both locations homeless. This led to the establishment of the camp which offered home for refugees to settle and live in safety and dignity. Leitchour was established in late February in 2014 and received refugees relocated from Ethiopian border entry points of Akobo, Pagak, and Burbiey.

Refugee population in Jewi Camp

A total of **62,641** persons of concern

Figures were frozen 31 August 2018 due to the roll-out of a new registration system aiming to enhance refugee data

RECENT DEVELOPMENTS

- ZOA has started their activities and stepped into the operation in Jewi camp in the intervention area of environmental protection and livelihood project for local communities and as well for refugees in Jewi camp.
- Currently, two grinding mills out of four is functional under RaDO Management sourced out to private company contractor.

MAIN ACTIVITIES

HEALTH

Health clinics are available for refugees and host communities wherein they receive medical care such as;

- Health services, including vaccination and anti-malaria campaigning activities
- Reproductive health and HIV/AIDS services
- Mental health services
- Support to health centers with drugs and medical equipment

NUTRITION

With support from UNHCR's partners, refugees have access to infrastructure and receive nutritional support, including:

- Provision of supplementary and therapeutic feeding as well as the promotion of child and maternal feeding practice (includes plumpy nuts)

WASH

- Refugees have access to 16.5 liters of potable water per person per day.
- Management and monitoring of existing water systems, and borehole drilling
- Sanitation and Hygiene promotion
- Construction and maintenance of family latrines and refuse pits
- WASH-related capacity building
- Emergency water supply and sanitation

PROTECTION & COMMUNITY SERVICES & REGISTRATION

UNHCR and its partners provide protection to refugees and promote durable solutions to their plight through:

- Camp management and security
- Support for persons with disability and other vulnerable groups
- Child Protection
- SGBV prevention, response services, and capacity building
- Education and livelihood for more self-reliance

SHELTER

46% of the households (5,910 HHs) in Jewi camp has received transitional shelter.

CORE RELIEF ITEMS

Core Relief Items - sleeping mats, kitchen sets, soap, and sanitary materials - are distributed to refugees.

LOGISTICS & SITE PLANNING

- Refugees were relocated from Leitchour camp. The camp is comprised of four zone A, B, C, and D.

EDUCATION

- Four primary schools in four zones in the camp are functioning and run by ARRA. One secondary school is also run by World Vision. ECCDs in the camp are active and managed by Save the Children. Two youth centers are active and run by Plan International (zone A) and LWF (Zone B)

ENVIRONMENT

UNHCR and its partners seek to reduce the environmental the negative impact in areas hosting refugees through:

- Forest and environmental protection and capacity building on environmental protection.

FOOD

- On a monthly basis, food is supplied, transported and distributed to all refugees. General food basket includes cereals (13.5 kg), corn soy blend (1.5 kg), pulse (1.5 kg) and vegetable oil (0.9 kg), CSB++ (0.5kg), Salt (0.15kg).
