

ENGAGING COMMUNITIES ACROSS THE VALUE CHAIN OF BRIQUETTE PRODUCTION

Proposed solution

- Conduct community sensitization campaign in five zones.
- Improving the kiosk to have a solar panel, phone charging and local coffee shop
- Construct a large carbonizer
- Conduct a short survey across 200 HH.

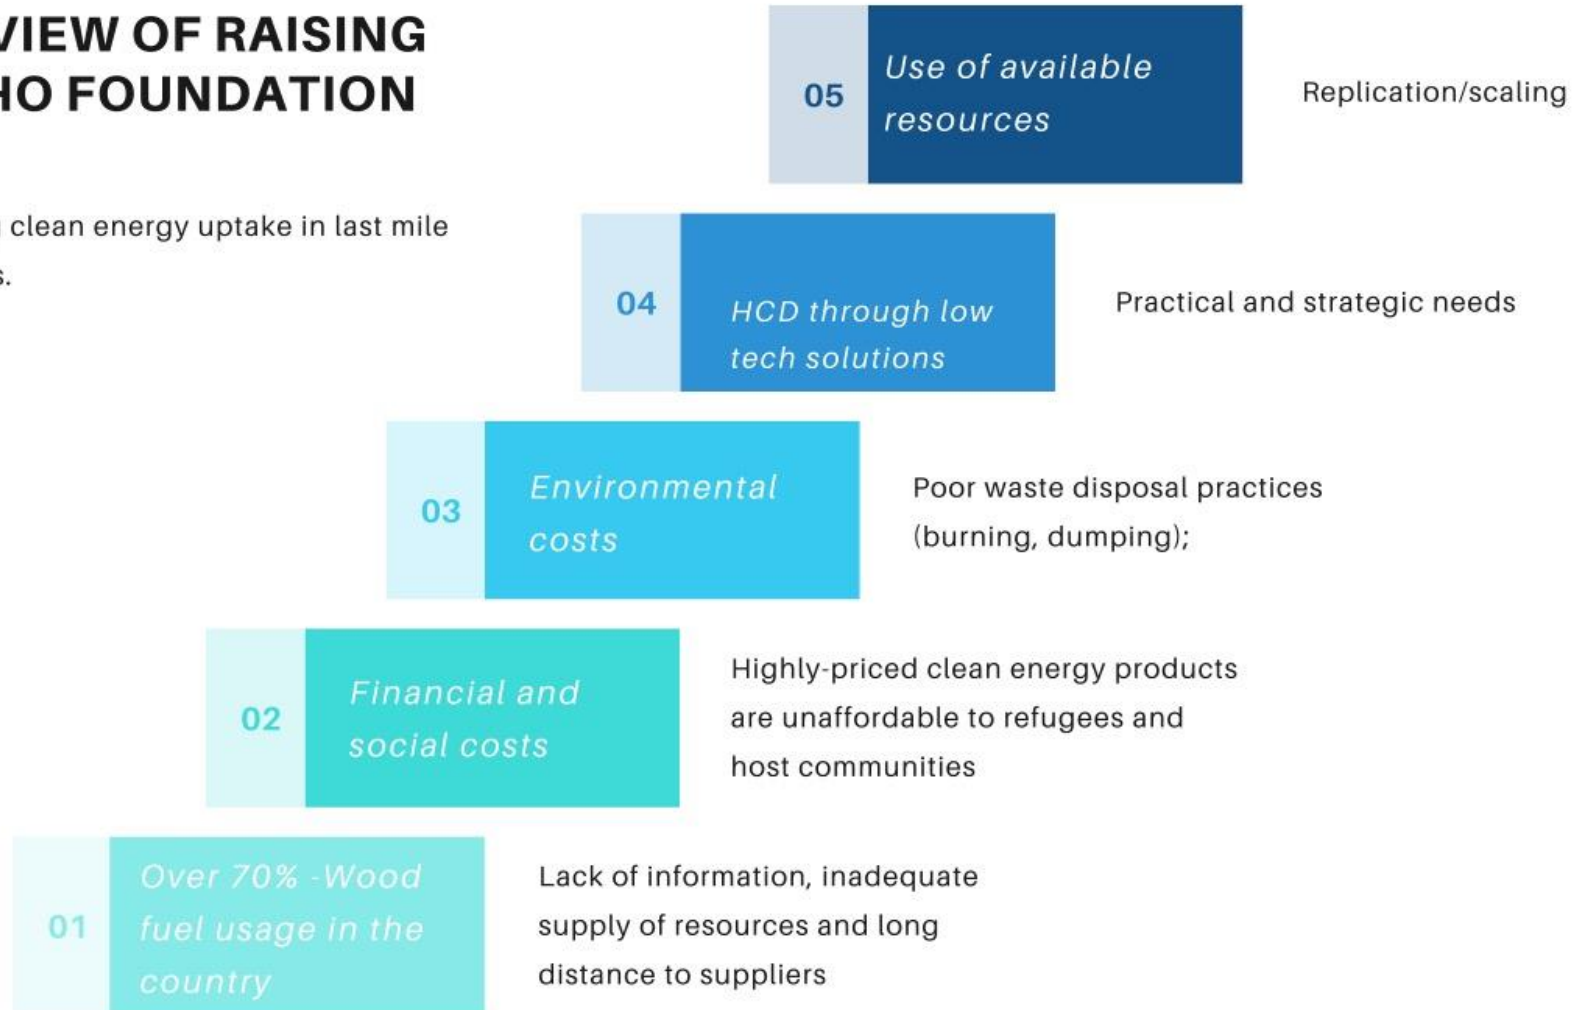

• GREEN INNOVATION CHALLENGE

- **STRENGTHENING COMMUNITY'S RESELIENCE TO ENVIRONMENTAL CHALLENGES**

OVER VIEW OF RAISING GABDHO FOUNDATION (RGF)

Accelerating clean energy uptake in last mile communities.

ENGAGING COMMUNITIES TO DESIGN SOLUTIONS

Sustainability

- Non cash support
2months
- Linkage to other
partners
- Market based approach
