Countries of departures and submission

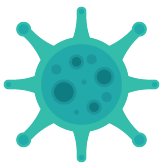

Main Achievements

From 1 January to 31 March 2020, **16 cases of 74 individuals** (of Nigerian nationality) were submitted under normal priority to two (2) Resettlement countries including **France** and **Canada**. The cases were submitted under **Normal priority and the Criteria of Survivor of Violence and/or Torture (13 cases of 59 individuals) and Lack of Foreseeable Alternative Durable Solutions (3 cases of 15 individuals)**. The submissions included 32 males (17 of whom aged 0 to 17 and 15 aged 18 to 59) and 42 females (27 of whom aged 0 to 17 and 15 aged 18 to 59). Also, during the reporting period, a total number of 10 individuals (of Nigerian nationality) departed to one (1) Resettlement country (Canada).

As of 31 March 2020, 37% of the attributed quota of 200 individuals (to be submitted from Diffa) has been achieved.

CONSTRAINTS

Due to the **COVID-19 pandemic**, Resettlement country missions and departures to Resettlement countries were cancelled. **32 cases of 127 individuals** were scheduled for interview by France (from 30 March to 3 April) and 8 cases of 29 individuals for departures to Canada (from 31 March to 15 April). Furthermore, by mid-March, new Resettlement interviews were suspended.

Other achievements (following restriction measures due to the COVID-19 pandemic)

After departures, country missions and new interviews were put on hold, the Resettlement Unit was able to:

- Complete Resettlement interviews for 3 cases of 8 individuals;
- Provide counselling and follow-up for 40 cases of 156 individuals which were scheduled for participation to Resettlement Country Missions or departure to Resettlement Countries (32 cases of 127 individuals for interview by France and 8 cases of 29 individuals for departure to Canada);
- Provide clarifications for 2 cases of 14 individuals which were submitted to Canada;
- Complete RRF drafting for 3 cases of 13 individuals which were referred for revision and submission;
- Revise profiling forms for 9 identified cases of 36 individuals which were cleared for Protection/Durable Solutions Panel;
- Identify, through proGres, 8 potential Resettlement cases of 32 individuals which were cleared for profiling interview.
