

WHO WE ARE

AWAN Afrika is a non-profit organization limited by guarantee. Its network comprises of individual members' businesses including producers, processors, aggregators, export companies and input suppliers among others across the continent and globally. The organization provides women-owned and youth-owned agribusinesses with an E-Hub, which is a repository of information on agriculture along value chains and supply chains. #AWANafrikaUnder30 champions are African youth of either gender engaged in agribusiness.

We are the enablers and accelerators of African women and youth in agribusiness.

WHAT WE STAND FOR

In our Value Proposition, we are focusing on knowledge and targeted advocacy, in response to the challenges in the development of agribusiness in Africa. AWAN-Afrika provides access to digital technologies and innovations to increase productivity; facilitates access to markets and accelerates women and youth inclusion in the agriculture sector, through a value chain development approach.

Our propositional bet is that the youth are the ones that are going to change the face of agriculture in Africa. They are bringing in new ideas, taking risks and embracing new technologies. AWAN Afrika is bringing a positive wave of change into the agricultural sector in Africa.
