

UNHCR, in partnership with Nigeria Immigration Service (NIS), State Emergency Management Agency (SEMA) and National Emergency Management Agency (NEMA) has carried out registration since August 2015 at border control points in the North East. The refugee returnees are returning to Nigeria mainly from Cameroon, Niger and Chad. So far, **35,692** individuals have been registered by Nigeria Immigration Service from **1st January 2019 to 30th September 2020**, comprised of **15,484** households (HHs). **83%** of the spontaneous refugee returnees report to have been unregistered with authorities in the country of asylum. UNHCR Nigeria is working closely with partners to implement a comprehensive response strategy, including providing targeted assistance to returning Nigerians, developing the capacity of key stakeholders to the response and advocating for conditions of returns.
