Somali Returnees from Kenya as of January 2021

During the month of January, no new refugee returnees were recorded. Total refugee returnees from 2014 stands at 85,171. No changes since the last update in December 2020.

**Age, gender composition**

Women and children combined represent 80% of all returnees to date.

**Somali returnees by destination**

Data on destinations for returnees from Kenya are generally based on the place of initial return. In the case of arrivals by road convoy in 2017, the final destination declared on arrival is used.

**Returnees from Kenya by month in 2020**

UNHCR is grateful for the generous contributions of donors who have directly contributed to the UNHCR Somalia operation in 2020.
