Iran has been one of the world’s leading refugee hosts for over forty years. Within the framework of the Solutions Strategy for Afghan Refugees (SSAR), UNHCR supports the Government of the Islamic Republic of Iran in implementing inclusive and progressive policies towards refugees, especially in the sectors of education, health and livelihoods. UNHCR also continues to support refugees to seek durable solutions.

### Voluntary Repatriation

- **2,009 individuals**
- **1,952 Afghan**
- **57 Iraqi**
