### OVERVIEW

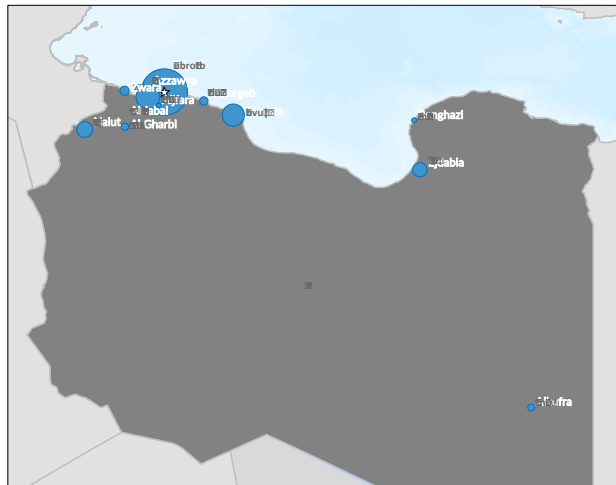

As a leading agency of Non-Food Items (NFIs) assistance, the distribution of NFIs remains as one of the most crucial activities for UNHCR Libya operation. Through its partners, International Rescue Committee (IRC) and the Libyan Association for Aid (LibAid), UNHCR reached out to the most vulnerable of its persons of concern including IDPs, refugees and asylum seekers in urban and in detention centers as well as those who are rescued at sea as part of its life-saving activities.

Since January 2021, UNHCR managed to reach 16,378 individuals with NFIs and 6,332 individuals with HKs in different areas in Libya. During April, UNHCR through its partner LibAid managed to distribute 3,886 NFIs/HKs, targeting IDP families, and refugees in the East detention centers (Alkufra and Ganfouda detention centers). During the same reporting period, UNHCR through its partner IRC reached 1,811 individuals in the CDC.
