# RACs – weekly needs assessment #5 (13/04/2022)

- Reported needs have reduced significantly from previous week
  - More requests are coming through the UAHelp platform
  - Partner distribution increased last week
- Coordination of humanitarian partners
  - We have conducted on-site assessments and are assessing needs through daily, weekly calls and monitoring visits
  - Please contact us at [mdachacctr@unhcr.org](mailto:mdachacctr@unhcr.org)

# Focus on refugees and host communities

- Focus on Cash (UNHCR, WFP, CRS)
  - Cash support will be the most important support mechanism
  - Need to transition to continuous support for long-stayers/ long-hosts
- Ongoing partner initiatives focusing on housing solutions
  - CRS, NRC, Moldova for Peace, bilateral support for communities
- Identified priority needs
  - Utilities cost, rent,
  - matching of refugees with hosts
- Need to define housing standards tools
- Targeted 4W and mapping for host communities to cover geographic and service gaps

# Contingency Plan

- Joint UNHCR, IOM, UNICEF, ACTED govt teams are completing the assessment of 30 accommodation sites,
- More public buildings are being identified by the government and will be assessed
- Aim is to identify additional space for refugee accommodation in case of influx of refugees
- Possible urgent works and supplies will be shared with government and partners with operational capacity to deliver support
- Prepositioning and coordination of supplies and distributions
- Transportation partners are identifying additional movement capacity
