• HelpAge - provides support to 29 RACs (22 catering, 7 vouchers/on site cooking). |  |
| **Brief review of FSWG TOR** | • In response to refugees’ influx in Moldova, a Food Security Sub-Working Group was established to address food security needs of those refugees, involving relevant technical members from UN, government line ministries (ANAS/ANSA) and NGOs. | Action: N/A |
The FSSWG is chaired and coordinated by UN World Food Programme.

Main objectives:
1. Support in the response to refugees’ influx and ensure coordination among the members
2. Provide regular data, analysis, and information.
3. Help develop policy package.
4. Support the delivery of food assistance response that is informed by need assessments and monitoring, addresses gaps and mitigates duplication.

See the document “ToR for FSSWG Template”.

| AOB: Request from the Ministry of Interior on contingency support | To provide food assistance (daily) for the employees involved in 5 provisional centers, close to border crossing points.

Total number of people for each provisional center:
1. Palanca Provisional Center - 16
2. Giugulesti Provisional Center - 12
3. Pirlita Provisional Center – 6

Main important part of the request is to support the Ministry with contingency, which may include vouchers or food commodity – 7000 refugees for 3 days. They have facilities to store the food (refrigerators etc).

2 RACs are frozen and can be opened, when it will be necessary. |

Action: NGOs interested on provision of the requested support need to contact WFP |
