 - Protection centered assistance and services
 - Effective solutions
 - Protection joint responses will focus on the following activities:
 - Joint needs assessments and gap analysis
 - Joint planning
 - Joint advocacy
 - Joint capacity building of all stakeholders
 - Information sharing and information management
 - Working Group arrangements
 - Weekly meetings with dedicated discussions on thematic areas will be organized
 - Leads to present brief observations and action points from other sub working group meetings on thematic areas from both UNHCR and Government led WGs
 - Government FPs presence in UNHCR WG is still under discussions, FP will depend on the portfolio related to particular thematic area
 - A common SharePoint folder will be available for all to upload and have access to documents
 - Flexibility amongst PWG is required re various thematic areas to be discussed
- [GBV presentation](#)

- GBV is integrated under Protection working group
- Short presentation of GBV coordination was given
- Re GBV coordination core functions would include:
 - Service mapping and support Service delivery
 - Develop and maintaining up to date referral pathways
 - Plan and implement GBV Strategies
 - Monitor and evaluate Performance
 - Build National Capacity in preparedness and response
- Key priorities
 - Check existing coordination mechanism
 - Identify GBV actors
 - Integrate GBV ToRs into broader PWG ToRs
 - Ensure GBV minimum standard
 - Rapid safety assessment
 - Workplan
- Referral Pathway
 - Establish GBV referral pathways by using easy-to-understand terms explaining what to do and where to go for immediate service delivery
 - Update referral pathways regularly
 - Agree on dissemination modality to frontline workers of all sectors e.g. pocket guides etc
 - Organize safe disclosure and referral trainings to frontline workers
- Strategy
 - Reflects the full range of GBV activities and partners that comprise the response
 - Provides better explanations of the operational context and the reasons behind priority areas of work
 - Plan responses for short, medium and long periods of time
- *GBV workplan incorporated into PWG plan*
- **Next steps**
 - UNHCR on behalf of the PWG will share template for GBV service mapping and referral pathways. All participants are required to share inputs by **03 April**
 - UNHCR to compile and share the consolidated version with all stakeholders by the end of first week of April
 - Need Assessment would be discussed in one of the PWG related meetings, but other priority areas will need to be discussed before that
 - UNHCR to create a shared folder for PWG participants

Next Protection Working Group meeting will take place on 5th April, 10:30-12:00. PWG meetings will be scheduled for every Tuesday 10.30 – 12.00 hrs and agenda item shared beforehand.
