- Yes
- No

THE FIRE SPREAD TO OTHER SHELTERS

- Yes
- No

IF YES, WAS THE FIRE EXTINGUISHERS USED

- Yes
- No

SOME REASONS THE FIRE EXTINGUISHERS WEREN'T USED

- The shelter is far away from the Fire Safety Point
- The fire was controlled and put down using water truck nearby
- Fire warden was not in the site at that moment.
- No phone coverage, couldn't contact the fire Warden to have access to them
- IDPs used sands to put out the fire
- only women were there, they couldn't use the fire extinguisher
