During the reporting period, UNHCR partner YARD successfully implemented two quick impact projects (**QIPs**) in WaSH sector (**rehabilitation of two wells**) in Barat Al-Anan District, Al-Jawf Governorate. The two wells are fully operational and provide water to local communities.

UNHCR's protection team conducted a monitoring visit to distribution points in Marib governorate, which committed to providing cash assistance to **3,914** beneficiaries (Rs **2,188** and MPCA **1,726**) in a safe and dignified manner. The distribution process is ongoing, and so far, **2,165** beneficiaries have received cash assistance with the remainder expected to arrive during the coming period through daily follow-up with implementing partners.

UNHCR's CCCM partner SHS has started a project to dig roads at Alsowayda IDP site. The project involves evening out and paving **450** meters along one path of gravel dust (Helsen). The road will connect the newly created blocks to the paved main road. The project aims to improve the safety of some **1,472 HH (8,025 individuals)** at Alsowayda IDP site (**3rd** largest IDP site in Marib governorate) and reduce health risks related to respiratory diseases through dirty roads.

REFUGEE RESPONSE

UNHCR facilitated the travel of four (4) families of eight (8) refugees (Eritrean and Somalis) who are accepted for resettlement to Sweden. The resettlement departure of the eight (8) refugees is scheduled for 16 August 2022 to Aden and onwards to Stockholm, Sweden on 23 August 2022

On August 14, Alawn Foundation distributed student kits and school uniforms to **2,618** refugee students (**1,239** girls and **1,379** boys) in Kharaz refugee camp. The educational process is proceeding smoothly in Kharaz camp, while teachers' strikes continue in Aden schools.

On 17 August, a graduation ceremony was organized for **7** children with disabilities (**4 Somalis boys and 3 Yemeni girls**) who studied at the Early Intervention and Learning Centre (EILC) and successfully passed the placement test set by the schools and are ready to enroll in public schools.
