Update on recent developments that took place at PBS	<p>UNHCR: The Field team starts the meeting with the latest updates from PBS:</p> <ul style="list-style-type: none"> • On 30 September 2022, the Head of Mission UNHCR in Odessa Islam Shalabi visited Palanca bus station. The Field team shows and explained him all the work done. • The Field Team in Palanca continues to maintain presence at the BCP Palanca and Tudora border. • On 29 September 2022, the mobile team consisting of UNHCR, CDA and INTERSOS staff visited Palanca and met with the refugees. The mobile team provided legal assistance to the refugees, answered their questions and informed them of all services available to them. • On 11 October, the Mobile team will visit the following villages: Stefan Voda and Ermoclia. • 1 October 2022 Jang Woo and colleagues from Peace winds Korea visited PBS. They offered to help us in case we needed it for the winterization. • From 1 October 2022 it will not be possible for the staff present at PBS to eat the hot food provided by the Volunteers team inside the white tent. Unfortunately, the Volunteers are unable to provide food for the staff, but only for the refugees due to the financial impossibility. • On 1 October 2022, the team received 42 people, most of them from Odessa and Mykolaiv, evacuated by the GLORIA organization. 2 of them remained in Chisinau and another 40 were transported by IOM to Romania. There were no special requests and no one needed assistance. • On 4 October 2022 there was Local Consultation on the 2023 Refugee Response Plan (RRP), in Causeni where national, international and governmental organizations were invited. The main goal was to understand how to support local NGOs and refugees in the following months. 	Activities that took place during the week
General updates from all organizations	<p>IGSU: expressed how useful the Causeni workshop was. He informed everyone that it is necessary to avoid situations that are not within our competence.</p> <p>INTEROS: There are not many updates, work continues at PBS, sensitive cases are solved according to protocol.</p>	

<p>on activities at PBS.</p>	<p>CDA: work is normal, assistance is offered in the territory at PBS and BCP.</p> <p>UNFPA: work continues without incidents that should be reported. Work with the mobile team continues without any changes.</p> <p>Acted: no out of the ordinary cases that need to be reported, the team is working without any deviations from the plan and services are provided as usual.</p> <p>IOM: normal activity, services are provided as usual without deviations. It is noted that for the month of September 400 passengers were transported.</p> <p>Blue dot: no updates, normal operation, no unusual incidents.</p> <p>GSS: informs us that in order to maintain safety and clarity regarding pedestrian and car traffic on the territory, it is necessary to listen to the instructions of the security agents who are aware of the access routes to the tents and containers, given that there is gravel work at the PBS, access routes are limited.</p> <p>Moldova for Peace: work is proceeding normally without incident.</p> <p>ACR: No Updates, food and hot drinks are provided in the tents designated for food.</p> <p>Solidarites International: Actions are taken based on plan, plan is Wintarization, action plan is prepared to secure sanitary containers for winter. The generator to be brought in will help secure the sanitary containers in case of power failure in the PBS territory.</p> <p>Online colleagues - Constanta from Concordia: from 1 November they can be present at PBS but also at BCP, but at the moment they are waiting for financing to be able to operate normally.</p>	<p>Informing all actors about their activity at PBS</p>
<p>AOB</p>	<p>Suggestions: since there will be no more food provided for the actors involved in PBS, it is possible to order food from a food delivery company in Stefan Voda at a low price.</p>
