As of October 2022, Somalia was host to 34,170 registered refugees and asylum seekers, mainly from Ethiopia and Yemen. Over 93,000 Somali refugees have voluntarily returned to Somalia since December 2014 with UNHCR assistance from different countries of asylum including Kenya, Yemen, Djibouti, Libya, Tunisia and Eritrea.

The map shows the distribution of Somali refugees and asylum seekers in different regions of Somalia. The map includes a breakdown of the population by region, including the number of internally displaced persons (IDPs), refugees, and asylum-seekers. The map also highlights the reasons for displacement, with drought-related factors being the most significant, followed by conflict and insecurity. The map provides a visual representation of the humanitarian situation in Somalia as of 31 October 2022.
