BACKGROUND INFORMATION

What are borderlands: Borderlands are the territorial margins of nation-states – regions where border contact is a central feature of economic and political life. In Africa these regions play host to more than 270 million inhabitants, a combined population significantly larger than any single state on the continent. These are sites of enormous innovation, creativity, and economic potential, containing both the human and natural resources to support thriving communities and fast-growing local economies.

What is the coffee book: To better understand the true picture and opportunities in borderlands, the UNDP Africa Borderlands Centre undertook targeted mapping of data and stories from Africa’s borderlands. This coffee book is building on a database of 106 border pairs in Africa and a repository of stories and pictures from Africa’s borderlands. The Centre tapped into the power of pictures and illustrations to create a coffee book which elevates the voices of borderland communities. This book puts a face to the quantitative data contained within the Borderlands Encyclopedia Dashboard. This first edition focuses on 8 countries where primary data was collected as part of the Borderland Centre’s flagship research into sources of resilience of agro-pastoralists in borderlands. The coffee book gives a first-hand account of borderlands realities in complement to the secondary data contained within the dashboard.

What is the Borderlands Centre: The ABC offers specialized, expert knowledge and technical advice to enable the better design, implementation, and adaptation of development programmes for border regions across Africa. It is an expert resource of intelligence and expertise in support of national governments, inter-governmental agencies, UNDP country offices, UN agencies, development partners and other key stakeholders.

The challenges and opportunities of borderlands can only be properly understood through a regional and cross-border perspective, and the case is becoming critical for approaches to development programming in Africa that are more explicitly cognizant of dynamics at a regional level. Listening to, engaging with, and providing programmatic assistance to these communities is essential for attaining the objective of "leaving no one behind" in achieving the Sustainable Development Goals (SDGs). The Africa Borderlands Centre (ABC) seeks to provide creative and innovative interventions anchored on local knowledge and practices, and social resilience building mechanisms to implement development assistance in Africa borderlands.

"THE MAIN CHALLENGES WE ARE CURRENTLY FACING ARE DROUGHT AND FLOOD.

THE CHALLENGES ARE SO MANY AND DIFFERENT; WE HAVE A CHANGE IN THE CLIMATE, WHICH DIRECTLY AFFECTS PASTURELAND AND WATER. IN ADDITION TO THAT, WE ALSO HAVE PROBLEMS AND CHALLENGES LIKE CONFLICT BETWEEN NEIGHBORING COMMUNITIES AND US"

FARMER DASSENECH WOREDA
ETHIOPIA
OVER THE YEARS, I HAVE LOST SO MANY LIVESTOCK THAT WOULD HAVE BEEN ALIVE IF IT WASN’T FOR THE DRUG SCARCITY. INSECURITY IS ALSO A CHALLENGE THAT I FACE BECAUSE OF DISPLACEMENT DURING THE WAR; THIS LEADS TO LOSS OF LIVESTOCK AND EVEN DEATH. CATTLE RUSTLING AND CLIMATE CHANGE ARE AMONG THE CHALLENGES THAT FACE AS AGRO-PASTORALISTS.

Agropastoralist, Upper Nile State, South Sudan.
“MY LIFE NOW IS RELATIVELY BETTER THAN IT USED TO BE. WHAT MAKES ME HAPPY IS THAT OUR LEADERS CURRENTLY REPRESENT US IN THE EXISTING REGIME, AND WE ARE NOT SUFFERING NOW AS WE USED TO IN THE PAST REGIME OF TPLF.”

AGROPASTORALIST ORAMIA ETHIOPIA
“I WOULD LOVE TO ACCESS LIVESTOCK MEDICINES EVERY MONTH TO KEEP MY LIVESTOCK SAFE AND HEALTHY; I WOULD LOVE TO RECEIVE AGRICULTURAL INPUTS, AND KNOW HOW FARMS ARE PREPARED TO PRODUCE GOOD YIELDS”

AGROPASTORALIST, UPPER NILE, SOUTH SUDAN

THE MAIN CHALLENGES WE ARE FACING ARE LACK OF DRINKING WATER FOR BOTH US AND OUR LIVESTOCK, BESIDES THAT LACK OF ENOUGH FOOD FOR HOME CONSUMPTION AND LACK OF FODDER FOR LIVESTOCK ARE OTHER CHALLENGES.

HERDER OROMIA, ETHIOPIA.
“THE FIRST CHALLENGE IS CONFLICTS THAT ALWAYS HAPPEN ACROSS THE BORDER, MAKING IT DIFFICULT FOR RESIDENTS TO STAY PEACEFULLY ON THIS OTHER SIDE OF THE BORDER DUE TO THE SPILL OVER.

WE RARELY SLEEP IN OUR HOMES AT NIGHT DUE TO FEAR OF ATTACK. BUT CURRENTLY, THE SITUATION IS GETTING BETTER AND BACK TO NORMAL GRADUALLY.”

AGRO-PASTORALIST MARSABIT, KENYA
“THOUGH WE HAVE HEALTHCARE AND EDUCATION SERVICES, THE QUALITY AND THE STANDARD ARE VERY LOW. AND BESIDES, ACCESSING THESE SERVICES IS VERY DIFFICULT; I MEAN,

WE MAY FIND THE HEALTHCARE AND SCHOOL FACILITIES, BUT WE CAN'T GET THE BEST OUT OF THEM”

YOU CAN IMAGINE THE PROBLEMS WE ARE GOING THROUGH SINCE THESE ARE OUR ONLY SOURCES OF INCOME. APART FROM THE ANIMAL FEEDS, WE ALSO NEED FOOD RATION FOR THE FAMILY MEMBERS AND THE RESIDENTS AT LARGE.”

NUKRI MOHAMED,
AGRO-PASTORALIST MARSABIT KENYA.

WITH NO RAINFALL, NO CROPS GROWING, AND NO PASTURE FOR THE LIVESTOCK,
THAT IS MY LIFE, BUT THE PROBLEM IS DROUGHT; CROPS DRY AWAY. I DON'T KNOW ANY OTHER LIFE. MY LIFE AGAIN IS SELLING LIVESTOCK SO THAT MY CHILDREN GET SOMETHING TO EAT. THAT IS MY LIFE, AND THAT IS THE LIFE OF MY FELLOW LIVESTOCK KEEPERS”

SAMUEL KUMATE, AGRO-PASTORALIST NORTH POKOT, KENYA.

THE ONLY LIFE I WISH TO HAVE IS KEEPING MY LIVESTOCK AND PRACTICING CROP PRODUCTION.
MY BIGGEST CHALLENGE IS LACK OF FOOD, SO THERE’S HUNGER IN MY HOME. MY FAMILY MEMBERS ARE ALMOST STARVING.

FOOD IS NOT ENOUGH FOR EVERYONE.

THE OTHER CHALLENGE WE FACE IN THIS AREA IS INSECURITY, A SIGNIFICANT THREAT TO OUR LIVES AND ANIMALS. YOU SEE, ANIMALS ARE THE BIGGEST TARGET OF THE PEOPLE CAUSING INSECURITY, SO THEY ARE ALSO SUFFERING FROM THIS INSECURITY.”

NACURO LOPEYOK, AGRO-PASTORALIST MOROTO UGANDA
WE NEED BOREHOLES DRILLED TO ALLEVIATE WATER SHORTAGES. THERE IS A NEED TO HAVE A POLICE POST FOR THE INSECURITY-PRONE AREAS SINCE MOST PLACES DO NOT ACCESS THOSE FACILITIES.

SOMETIMES DURING DROUGHT, ANIMALS CONTRACT DISEASES TOO. SO THERE IS A NEED FOR SUPPORT WITH DRUGS TO TREAT THEM, WE ALSO NEED TO SEEK DIVINE INTERVENTION BECAUSE GOD IS CAPABLE OF EVERYTHING”

AMINA AGRO-PASTORALIST MARSABIT KENYA.

ONE OF THE THINGS FIRST HELPS US IN THE SECURITY SECTOR AND THEN HELPS US GIVE US SEEDS TO PLANT AND TRACTORS TO PLOW BECAUSE WE LOST OUR ANIMALS THAT COULD PLOW.

THEN THE GOVERNMENT HAD TO DEPLOY SOLDIERS ON THE DISTANT FARMS TO ENABLE PEOPLE TO DIG; WE ALSO NEEDED WATER THAT COULD HELP US WATER OUR ANIMALS DURING THE DRY SEASONS, AND WE COULD ALSO NEED A HEALTH UNIT. THE ONE WE HAVE IS FAR. WE COULD APPRECIATE IT IF ONE WAS BUILT HERE NEXT TO US. THE GOVERNMENT CAN HELP OUR POLITICAL LEADERS AND US TOGETHER”

AGRO-PASTORALIST LODIKO UGANDA.

I THINK THEY SHOULD CONSTRUCT OUR ROADS BECAUSE THEY ARE INACCESSIBLE DURING WET SEASONS AND PROVIDE AN AMBULANCE BECAUSE THE MAIN HOSPITAL IS FAR, ESPECIALLY FOR THOSE CASES THAT MIGHT NEED SERIOUS ATTENTION. ALSO, WE NEED PROGRAMS TO SUPPORT THE ELDERLY, SOME HAVE BEEN COMPLAINING THAT THEY HAVE NEVER RECEIVED THEIR PENSION FOR OLD AGE, AND WE NEED SOMEONE TO RESOLVE THIS”

AGRO-PASTORALIST LOYORO UGANDA.

“THE CAUSES OF THIS CONFLICT ARE LINKED TO ACCESS TO NATURAL RESOURCES. THE IVORIAN SOCIO-POLITICAL CRISIS HAS COMPelled MANY OF OUR RELATIVES TO RETURN TO THEIR COUNTRY OF ORIGIN, ESPECIALLY AT THE BORDER AREAS AND THIS HAS POSED PROBLEMS OVER LAND TENURE BECAUSE IT WAS NECESSARY TO FIND PLOTS OF LAND FOR THEM, WHICH LED TO AN ISSUE OF ACCESS TO NATURAL RESOURCES THAT TRIGGERS CONFLICTS. ONE OF THE CAUSES OF THIS CONFLICT IS THE DETERIORATING SECURITY SITUATION AND INTERNALLY DISPLACED PEOPLE NEED LAND TO DO FARMING, AND SO THE GRAZING AREAS HAVE BEEN TAKEN OVER”

AGRO-PASTORALIST, KOUTOURA BURKINA FASO.

MY INCOME HAS DECREASED IN THE LAST TWO YEARS BECAUSE AGRICULTURAL INPUTS HAVE BECOME EXPENSIVE WITH THE OUTBREAK OF THE COVID-19 PANDEMIC, AND THERE WERE POCKETS OF DROUGHT, A SITUATION THAT HAS AFFECTED AGRICULTURAL YIELDS. ADDED TO THIS IS THE DETERIORATING SECURITY SITUATION”

AGRO-PASTORALIST, DAKORO BURKINA FASO.
TO RESOLVE THESE CONFLICTS, THERE IS THE NEED TO PUT IN PLACE A FRAMEWORK FOR DIALOGUE BETWEEN THE ACTORS. IN THE EVENT OF A CONFLICT, THE TWO PROTAGONISTS ARE SUMMONED TO THE VILLAGE CHIEF, TRADITIONAL CHIEF, TO RESOLVE THE MATTER AMICABLY. IF THEY ARE NOT SATISFIED, THE MATTER IS REFERRED TO THE COMPETENT AUTHORITY; BUT WE HAVE NOT YET HAD SUCH CASES “
