

**INFORMATION
ECOSYSTEM
ASSESSMENT:**

MOLDOVA

What is an IEA?

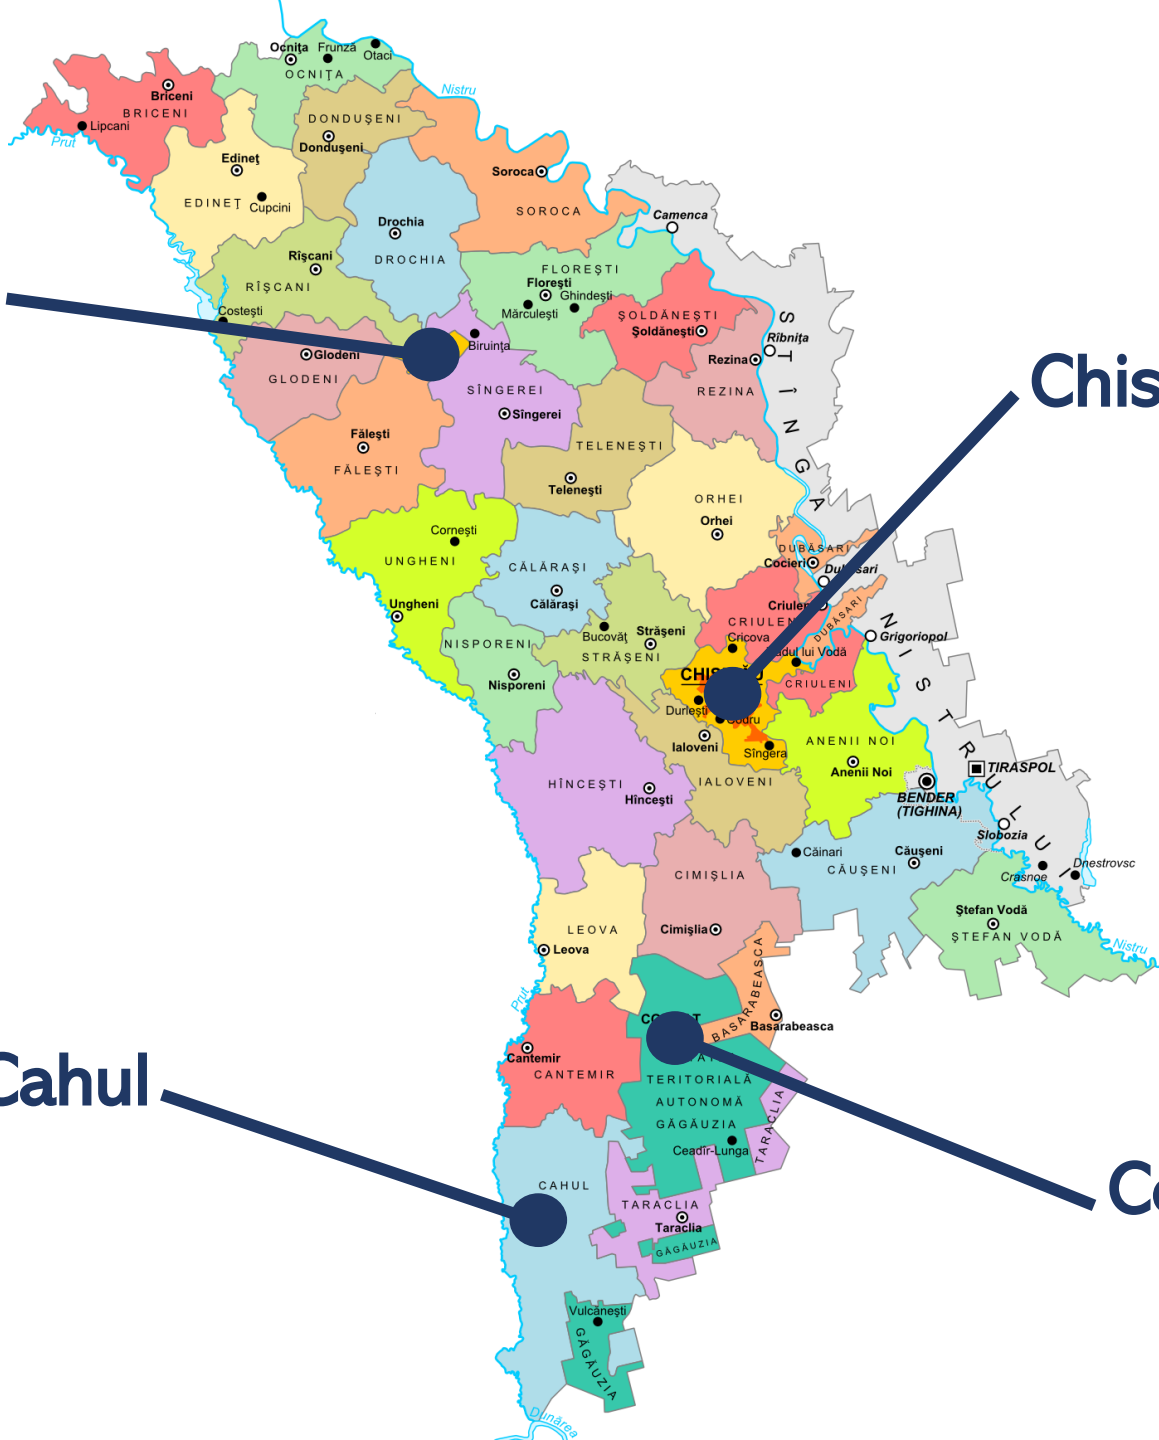

REFUGEE FOCUS

- **Information access and preferences:** Sources, platforms, digital access, media
- **Information barriers:** What makes it difficult to access info about services?
- **Information needs/gaps:** What do they need to know, in what areas is the response failing on clear communication?
- **Feedback and complaints:** how would refugees prefer to give feedback on the refugee response?

HOST FOCUS

- **Information sources:** How is the general population hearing about the refugee response (sources/platforms), what is their opinion of media reporting (quantity, content)
- **Information needs/gaps:** What do people know about the refugee response, services available to host/refugee, what would they like to know?
- **Feedback and complaints:** how would the community prefer to give feedback on the refugee response?

 - Local media

We would LOVE your input

- **What do you need to know?**
What information would help you better communicate, engage and implement and accountability mechanisms?
- **Do you have something to say?**
Connecting us with your teams for KII / FGD, let us know about existing and planned information and communication activities
- **What already exists?**
Desk review: Suggesting any existing research or reports
