Cash Working Group Slovakia

With the increase of refugees and other vulnerable people coming from Ukraine and various humanitarian actors on the ground, a Cash Working Group has been set up under the Refugee Coordination Model in Slovakia in April 2022. The group is co-chaired by the Ministry of Labour, Family and Social Welfare, and UNHCR. The group supports the local leadership and works to ensure the humanitarian response is linked with the government and local response. Aligned with the guiding principles of Inter-Agency Standing Committee (IASC) on Cash Coordination Model, this term of reference for the Cash Working Group in Slovakia is being reviewed and adopted as below.
