<ol style="list-style-type: none"><li>1. Updating the SOP at PBS with all actors.</li><li>2. Update on recent developments that took place at PBS.</li></ol>	<p><b>UNHCR Field Team – Karina Volokh</b></p> <p>On 12 December, the Field team received 62 people at PBS evacuated by Gloria organization. They ate and left for Romania with IOM bus.</p> <p>On 12 December, the Field team received a visit from the PRM (Bureau of Population, Refugees and Migration) of US Embassy. The Field team showed and explained them all the work done at PBS and accompanied them to the border and Causeni.</p> <p>On 13 December, the field team received 3 waste containers from AAH, who donated them to the IGSU and they will be used in PBS during the emergency crisis.</p>	<p><b>Activity:</b></p> <p><b>Responsible:</b></p> <p><b>Deadline:</b></p>

On 13 December, the Field team received a visit from Danish Refugee Council at PBS. The Field team met them and showed them all the work done at PBS.

On 14 December, the Field team received 5 people transported by Be an Angel at PBS, they ate and then left for Chisinau.

**iOM:** Last week a training was organised with the topic Rights of people with disabilities. there are 2 vacancies in Otaci in the IOM team  
there is an increase in border crossings in December.  
there were 327 persons transported to Bucharest, compared to 423 in November.

**UNFPA:** The activity is going on without changes, it is operating in usual conditions, they will inform us additionally about the activity of the organization for January.

**Helvetas:** The activity is going on without changes, on December 15 the donors of the organization will come. Also they will inform us additionally about the activity of the organization for January.

**IGSU (tented camp):** It operates in normal mode, with no incidents that need to be reported.

**Moldova for Peace** – Another project is launched - a website offering jobs for Ukrainian citizens. [www.dilo.md](http://www.dilo.md)

**Acted:** We operate as usual with the same type of services.  
Continue NFI distribution.  
Are ready to help with the installation of the generator.

**LCA(CDA):** the activity is carried out in a normal way, the activity on the territory of Moldova, also at the airport, customs and here at PBS.  
Tudora customs is intensifying requests for political asylum.

<p>3. General updates from all humanitarian actors at PBS.</p>	<p><b>BlueDot:</b> In the last week we have helped 167 people ( 89 kids and 78 adults). We offer psychologist for the mobile team. We continue to provide goods for those in need. Please note that blue dot has recently opened at the airport. The number of people crossing the border is increasing.</p> <p><b>IsraAid:</b> Work continues without incidents or things to report. We continue to provide Child Friendly Sapce, we also distribute hygiene kits to those in need. The number of beneficiaries is increasing.</p> <p><b>Intersos:</b> They continue to provide PSS to people, also they are involved in the mobile team. Services are offered in several cities in Moldova. the vet is present and will be at PBS for a month. On 19 and 20 December a training on Stress Management will be organised.</p> <p><b>Solidarites International:</b> Continue to provide WASH facilities in PBS, continue with distribution of travel kits. Provide sanitary containers to the tent camp..</p> <p><b>IGSU (PBS):</b> Asks organizations to be involved in the event organized by IGSU for children. 400 children are expected to attend. On Friday 16 December the Minister of the Interior is expected to come to the Tented Camp with a delegation from 40 countries. There is a slight increase of people coming from ukraine..</p>	
<p>1. AOB.</p>	<p>On the 27th of December it would be good to organize an event for children from Causeni, children coming from Ukraine and including those who are local.</p>
