

Mixed Movements Response

January – June 2024

In 2024, **201,063 refugees and migrants** crossed the Darien jungle in search of protection and better opportunities – **two per cent more** than in the same period of 2023. Most come from Venezuela, Ecuador, Colombia, and Haiti.* Many come from as far as China, India, and Afghanistan.

UNHCR, national authorities, and partners respond to protection, gender-based violence, health, shelter, and legal needs of refugees and migrants and support transit and host communities in **Darien and Chiriqui**.

KEY ACHIEVEMENTS

 **28,027**

People informed on the risks of the journey, Panama’s asylum system, and services at the ETRMs**

 **7,052**

Non-food items (including Core Relief Items) distributed to people at the ETRMs, transit, and host communities

 **2,357**

People received primary healthcare and first aid services at the ETRMs

 **17,803**

People received counseling and legal assistance services related to Panama’s asylum system

 **155**

People supported with mental health and psychosocial support services (MHPSS), including safe spaces

 **498**

Officials trained on international protection and statelessness

 **700**

People interviewed in border protection monitoring exercises

 **2**

Rubb halls, **1,000+ m² of shade space**, and **80 solar streetlamps** installed at ETRMs and transit communities

 **4**

Peaceful coexistence projects implemented in host and transit communities

2 multipurpose sports courts, and a **child friendly area** built in transit communities and ETRMs

El Tucán

UNHCR’s Communication with Communities (CwC) initiative informs about the risks of the jungle and contributes to evidence-based decision-making.
