FUNDING

22.2 M \$ requested for Djibouti operation in 2024²

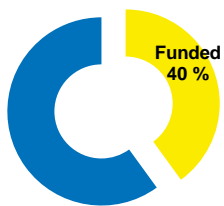

The Djibouti Government continued the enrolment into the national system of refugees living with disability. During the reporting period, the Djibouti government through the National Agency for people living with Disability (ANPH) continued the enrolment into the national system of refugees living with disability residing in refugee villages. About 49 refugees living with disability have been registered in Djibouti city and Markazi settlements only, the exercise is still ongoing to cover all three refugee settlements. The types of disabilities recorded so far are mental, hearing impairments, physical and visual. The vulnerability codes were automatically inserted into the UNHCR database (PROGRES) for everyone registered by the ANPH.

Refugee living with disability were registered in Markazi village.

REFUGEE RESPONSE

UNHCR and ONARS continued to issue documents to refugees. As part of enhancing refugee protection and inclusion, UNHCR and ONARS continue to issue certificates to refugee families. During the reporting period about 35 certificates were renewed and 10 cards were re-issued to refugee families in Djibouti city. About 17 households of asylum seekers who were granted refugee status by the National Eligibility Commission received refugee documentation including 25 ID cards for those among them who are above 16 years old.

8.8 M \$ received as of 31 October 2024
