

KEY FIGURES

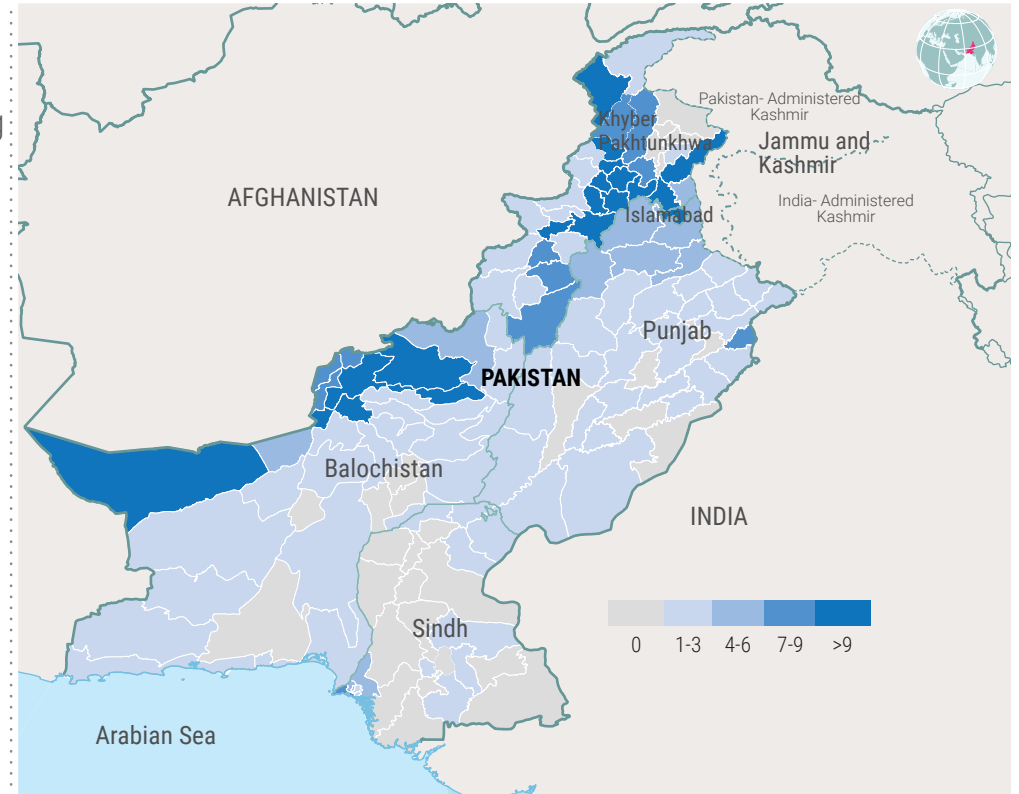

Source: This update based on mapping services reported by humanitarian organizations as of September.

Source: Pakistan Inter-agency 3Ws mapping dataset as of September.

By September 2024, humanitarian organizations had supported some 2 million women, men and children, or 44 percent of the people targeted in the 2024 Afghanistan Situation Refugee Response Plan (RRP) in Pakistan. This was achieved through the work of 58 active organizations, who covered 111 districts out of 136 target districts so far. There remain significant needs across the country and the RRP was 30% funded.
