<p>Hello, my name is \${int_name}. I am working for \${int_org}. I am here to conduct a survey with you to ensure that we and organizations like us better understand you and your community's situation. The information you provide will be used to help us learn about your needs and to help improve our collective response and services. I will be asking you questions in relation to access to information and services; livelihoods, income and assistance; as well as community concerns amongst other issues. In case you have specific issues to share about your current circumstances, I will ask you after the survey is finalised and may be able to advise you about what you can do and who might be able to help you.</p>	<p>[Acknowledge]</p>
<p>Participation in this survey is voluntary and you have</p>

<p>the right not to answer questions if you do not want to. Your participation will not affect your processes with PMM or other public institutions. It will also not affect the services you are currently benefitting from through organizations, including ours. You will not be receiving any cash or material assistance if you participate in this survey. The survey will approximately take 40-50 minutes to complete.</p>	
<p>Your information will be kept confidential and anonymous. We will not be recording your personal information such as your name-surname, ID number, and/or phone number. The answers you provide to the questions will be registered, stored, organized, updated, transferred and processed in accordance with the Turkish law on personal data protection No. 6638. You have the following rights pursuant to this Law: right to apply to our organization and to learn whether your data is processed or not, to request information about how your data has been used and processed and whether this information is used for its intended purposes, to know the third parties with whom your information are shared, to request the rectification of the incomplete or inaccurate data if any, to request the destruction of the information you share under the conditions laid out in law, to request notification of the operations carried out to third parties whom your information has been shared with. For the purposes of this survey, we will share your responses with UNHCR (all the information we share will be anonymized). Your answers will be stored in UNHCR's server in their headquarters (Geneva), and only authorised UNHCR personnel and personnel from organizations conducting this survey will have access to it. UNHCR will process your responses in accordance with their data protection policy. The anonymized data will be shared one of UNHCR's partner, CartoNG, for analyses.</p>	
<p>You have the right not to answer a certain question in case you feel uncomfortable with it.</p>
