204

6% of CAR registered population are persons with disabilities

Unaccompanied and Separated Children

119

Despite the ongoing conflict that began in April 2023, Sudan continues to host a substantial number of refugees, totaling 889,330 as of July 2025, CAR refugees represent (0.7%) of this total population.
The conflict has also led to internal displacement, with 270,472 refugees self-relocating within Sudan, primarily moving from Khartoum to other states and 6,360 CAR Refugee Returned to their country of origin.
In terms of living conditions of the CAR refugees, 100% of the refugees are live out of camps.
The refugee population is almost evenly split in terms of gender, with females accounting for 57% and males making up the remaining 43%.
