

# Protection Sector

Lebanon Response Plan – 2026

## Log frame Reporting and Monitoring

**ActivityInfo Training**

28 January, 2026

# Lebanon Response Plan 2026

## *Training Agenda*

---

- 1. Overview of the 2026 LRP and the Protection Sector log frame**
- 2. Indicators and changes to 2025**
- 3. How to report using Activity-Info**
- 4. Key Links & Resources**
- 5. Q & A**

# Lebanon Response Plan 2026

## Sector Objectives

---

The objective of the Protection sector is to ensure that ***individuals at heightened risk from affected populations, in all their diversities, live in a safe, dignified, inclusive, and protective environment where their fundamental rights are respected, they are meaningfully engaged, and they have access to quality protection response services.***

# Lebanon Response Plan 2026

## *Sector Log frame*

---

- The Protection sector log frame is a planning and monitoring tool
- Provides an overview of what the sector intends to do in each timeframe/ quarter
- Includes outcomes, output, targets indicators and activities linked to the outputs
- Explains how results will be monitored through means of verification
- Includes annual targets for each indicator which allow us to monitor progress in time aligned to the Sector Strategy

# Lebanon Response Plan 2026

*Log frame overview*

---

	2024	2025	2026	
Sector: Total budget (USD)	207,158,629	187,254,216	184,914,888	184,914,888
% Humanitarian	69%	85%	73.6%	136,046,594
% Stabilization	31%	15%	26.4%	48,868,294

# Lebanon Response Plan 2026

*Log frame overview*

	PIN	Target 2024	Target 2025	Target 2026	GP	CP	GBV
<b>All Population</b>	2,471,937	1,579,467	1,502,655	<b>1,393,599</b>	940,549	205,500	247,550
<b>Persons Displaced from Syria</b>	1,109,560	1,086,998	856,533	<b>901,889</b>	711,889	79,000	111,000
<b>Vulnerable Lebanese</b>	999,076	371,537	516,395	<b>383,430</b>	159,630	115,300	108,500
<b>PRS</b>	22,825	22,625	19,206	<b>21,815</b>	17,115	1,650	3,050
<b>PRL</b>	193,041	43,290	59,052	<b>51,015</b>	25,815	8,200	17,000
<b>Migrants</b>	147,435	42,647	44,969	<b>26,550</b>	18,700	1,350	6,500
<b>Other</b>		12,370	6,500	<b>8,900</b>	7,400	-	1,500

	2026		
	Budget (USD)	% Humanitarian	% Stabilization
<b>Outcome 1: Affected people have increased knowledge of their rights and have access to an effective justice and protection system</b>			
Output 1.1 : Individuals at heightened risk are provided within information on their rights and have access to effective legal aid services	23,782,783	0%	100%
Output 1.2: Protection legal and policy frameworks and national protection institutions are strengthened	248,775	0%	100%
Output 1.3: Protection risks are monitored and advocacy and technical support provided to relevant actors to mitigate the risks	856,000	40%	60%
<b>Outcome 2: Affected people are safe, supported, and empowered in their community to contribute to positive change</b>			
Output 2.1: Affected people are provided with information services and rights and benefit from inclusive and accessible community protection initiatives	19,342,123	66%	34%
Output 2.2: Affected people are engaged in social and behavior change on protection issues including equality, GBV, and child protection	8,930,736	52%	48%
Output 2.3: Effective and accessible feedback and response mechanisms, including to address Protection from Sexual Exploitation and Abuse (PSEA) and child safeguarding, are in place	838,880	100%	0%
<b>Outcome 3: Individuals at heightened risk have access to quality specialized protection response services and durable solutions</b>			
Output 3.1: Quality protection, Child Protection, and GBV case management, psychosocial support, protection cash, and other specialized services are available and accessible to individuals at heightened risk	71,787,391	81%	19%
Output 3.2: Syrian Displaced and Refugees have access to durable solutions including voluntary repatriation, resettlement and complementary pathways	55,276,200	100%	0%
Output 3.3: Migrants have access to safe and dignified return assistance to their countries of origin	3,852,000	100%	0%

# Protection Sector Log frame

## Outcome I

---

### **Outcome I: Affected people have increased knowledge of their rights and have access to an effective justice and protection system**

- % of persons with legal residence OR ID for LEB (VASYR, MSNA)
- % of children under 5 whose births are registered (VASYR, MSNA, MICS)
- # of group evictions (incident tracking PM)
- % of women, men, girls, and boys who know where and how to access GBV-related justice and protection services when needed (VASYR/ MSNA)

# Protection Sector Log frame

*Output area I – to be reported by partners*

---

## **Output I.1: Individuals at heightened risk are provided with information on their rights and have access to effective legal aid services**

- # of persons reached through awareness sessions on legal topics – all attendees are counted
- # of persons who benefitted from legal aid and assistance
- % of persons at risk of GBV and survivors who received legal assistance (GBV IMS)

## **Output I.2: Protection legal and policy frameworks and national protection institutions are strengthened**

- # of initiatives supporting the strengthening and sustainability of national systems including institutional and technical support
- # of stakeholders trained on legal issues, or protection (disaggregated by GoL/humanitarian actors)
- # of stakeholders trained on GBV core concepts and minimum standards (disaggregated by GoL/humanitarian actors)

## **Output I.3: Protection risks are monitored and advocacy and technical support provided to relevant actors to mitigate the risks**

- # of protection products analyzing risks and making recommendations

# Protection Sector Log frame

## Outcome 2

---

### **Outcome 2: Affected people are safe, supported, and empowered in their community to contribute to positive change**

- % of women, men, girls, and boys who report knowing how to report a complaint or provide feedback on humanitarian assistance (VASYR, MSNA)
- % of households aware of specialized GBV services
- # of sectors/clusters that included GBV risk mitigation actions in their response plan

# Protection Sector Log frame

---

## **Output 2.1: Affected people are provided with information services and rights and benefit from inclusive and accessible community protection initiatives**

- # of community centers and communal spaces supported
- # of persons benefitting from information sessions, awareness sessions, and individual consultations on how to access services or other information (excluding legal services, see indicator on legal awareness)
- # of persons benefitting from information sessions, GBV awareness sessions, and individual consultations on how to access services
- # of persons participating in protection interventions at the community centers, including CDCs, SDCs, and mobile protection activities held outside the center
- # of protection specific calls served through hotlines/ call centers
- # of Woman and Girls Safe Spaces (WGSS) and other centers providing GBV prevention and response services

## **Output 2.2: Affected people are engaged in social and behavior change on protection issues including equality, GBV, and child protection**

- # of women, men, girls and boys who participate in targeted activities as part of GBV prevention programs
- # of women and adolescent girls who received dignity kits
- % of women and adolescent girls who reported being satisfied with the quality of the dignity kit (PDM) + KOBO roll-out: [Lebanon| GBV Working Group| Dignity Kit Distribution - Post Distribution Monitoring Assessment](#) (bi-annually)

## **Output 2.3: Effective and accessible feedback and response mechanisms, including to address Protection from Sexual Exploitation and Abuse (PSEA) and child safeguarding, are in place**

- # of children and adults reached through awareness-raising activities and community mobilization interventions on PSEA

# Protection Sector Log frame

## Outcome 3

---

### **Outcome 3: Individuals at heightened risk have access to quality specialized protection response services and durable solutions**

- % of persons receiving protection and emergency cash assistance who report it contributed to addressing their protection risk/incident
- % of children aged 5-17 engaged in child labor
- % of survivors who are satisfied with GBV case management services (quarterly) through the client feedback survey

# Sector Strategy

## LRP 2026 - Log frame - Changes

---

### **Output 3.1: Quality protection, Child Protection, and GBV case management, psychosocial support, protection cash, and other specialized services are available and accessible to individuals at heightened risk**

- # of persons receiving protection quality case management services
- # of persons at risk of GBV and survivors accessing quality GBV response services, including focused and non-focused PSS
  - % of survivors who are satisfied with GBV case management services (quarterly) through the client feedback survey and GBV IMS+
- # of adults and children at heightened risk receiving group and /or individual structured and non-structured psychosocial support
- # of persons with disability and older persons receiving individual specialized services including rehabilitation support
- CASH for all and quarterly reported (see slides 14-16)

### **Output 3.2: Syrian Displaced and Refugees have access to durable solutions including voluntary repatriation, resettlement and complementary pathways**

- # of people supported with organized transport to voluntarily return
- # of people who received counselling and/or information on voluntary repatriation
- # of people who received return cash assistance
- # of persons submitted for durable solutions including resettlement/other Complimentary pathways
- # of persons with specific needs supported in safe and dignified return

### **Output 3.3: Migrants have access to safe and dignified return assistance to their countries of origin and access support to reintegrate sustainably in their communities**

- # of migrants assisted with voluntary return and support to reintegrate sustainably in their communities

# Cash for Protection Indicators across PRT, CP and GBV

*Changed indicators for 2026*

---

## **Recurrent protection/ GBV/CP Cash: max 12 months – 150 USD**

- **# of unique individuals newly included in recurrent protection cash -**
  - In January: one time reporting of those who are receiving RPCA including those who started receiving in 2025
  - Example: Agency kawamba provides a total of 30 people with RPCA in January 2026 (all to be added for January); in February, only those that are newly added
- **# of cash grants**
  - Every month, the partner reports on the number of all cash grants provided
- **Total amount disbursed in USD (RPCA)**

# Cash for Protection Indicators across PRT, CP and GBV

*Changed indicators for 2026*

---

## **Emergency Cash Assistance: one-time cash assistance – 150USD**

- **# of HH supported with ECA**
- **# of individuals in the HH**
- **Total amount disbursed in USD (ECA)**
  - Kawamba provided 35 HH with ECA with a total amount of 5,250USD for xxx number of individuals (depending on the number of individuals in each reported HH/ HH size)

# Cash for Protection Indicators across PRT, CP and GBV

*Changed indicators for 2026*

---

**Indicator: % of persons receiving protection and emergency cash assistance who report receiving it safely**

**Output level for partner – bi-annually:**

- # of respondents that answer “significantly” or ‘somewhat’
- # of respondents to the survey

# ActivityInfo

## *What is Activity-Info?*

---

### **Online platform that allows humanitarian organizations to:**

- Store data on defined indicators
- Identify the specific location of interventions (geo-locate)
- Access, manage, map and analyze indicators
- See who does what where when

### **What will you use it for?**

- Monitor interventions in the field
- Report achievements to sectors and funding agencies
- Monitor your programmes and generate achievement reports

# Changes from 2025 Reporting Log frame

*2025 to 2026 updates*

---

## **Reporting has been simplified as following:**

- One simplified reporting form for Protection & GBV reporting
- Simplification of the levels of disaggregation
- New structure for avoiding heavy columns in the reporting form
- Easy to extract & analysis reports

# ActivityInfo

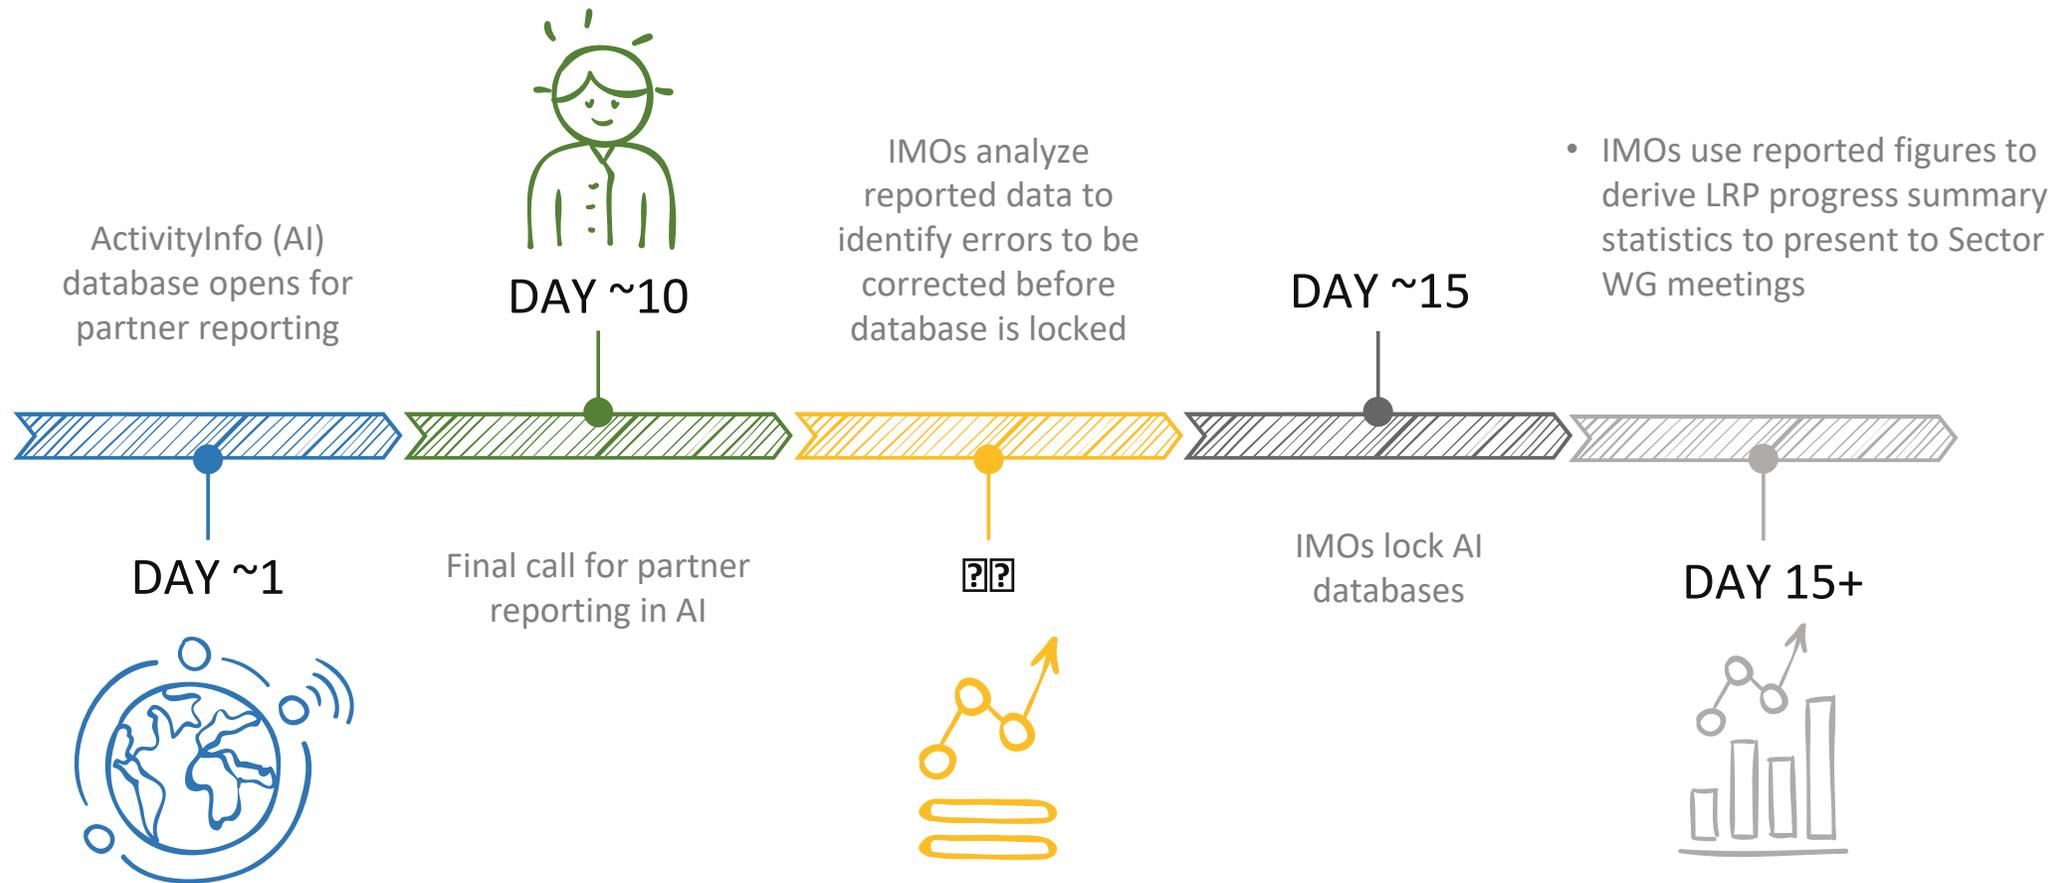

## *Information Management Support Team Responsibilities*

---

- Provide access to the database and training
- Support technically Sector Leads/Co-leads
- Support technically the production of monthly reports, maps and other sector-related information products
- Ensuring that the database is up-to-date and functioning
