Contextual Background

Historical background	<ul style="list-style-type: none"> Established at the onset of the emergency in South Sudan (mid-December 2013). Refugees began arriving at Ethiopian border entry points (Akobo, Pagak, Burbiey, Pochalla) and were relocated to Leitchuor Camp.
Areas of Origin	<ul style="list-style-type: none"> This camp caseload comprises refugees mainly from South Sudan's Unity, Upper Nile and Jonglei states.
Cultural Background	<ul style="list-style-type: none"> The refugees are predominantly ethnic Luo-Nuer with an Anuak minority population.
Main Occupations	<ul style="list-style-type: none"> Primarily farmers and pastoralists.

Administrative Structure

- UNHCR provides **Coordination Support, Protection, Community Services, Registration, Logistics, Technical Expertise** and monitors the delivery of services.
- Camp Management** and the implementation of distribution of **Food and Core Relief Items, Shelter Demarcation and Provision and Refugee Screening / Registration** is conducted by Ethiopia's governmental body, the **Administration for Refugee and Returnee Affairs (ARRA)** with support from **UNHCR**.
- UN Agencies** (WFP, UNICEF, UNFPA, OCHA, IOM) and **Partners** work together with ARRA and UNHCR in the provision of various essential services (See the detailed 3Ws – who does what, when and where – on page 2).
- Camp Coordination Meetings** are co-chaired weekly by ARRA and UNHCR.

Operations and Services

ARRA

- The Administration for Refugee and Returnee Affairs (ARRA) is responsible for Camp Management, security of the camp and entry points, security for persons of concern and humanitarian partner staff with support from UNHCR.
- Jointly with UNHCR, ARRA registers asylum seekers at entry points (Level 1 registration). Level 2 registration for the camp is completed with pending registration of few refugees who were absent.
- Refugees are individually registered in UNHCR's proGres database (Level 2 registration), and hold food ration cards. To avoid double registration, biometrics (finger printing and photo capture) is used for registering refugees.
- Food distribution and distribution of core relief items (e.g., tents, kitchen sets, soap, jerry cans, sanitary materials), and are among the responsibilities of ARRA. In addition, ARRA prepares to undertake primary health and primary education in the next few months.

UNHCR

- Provides international protection to persons of concern and monitors delivery of assistance and services to refugees. Jointly with AARA, UNHCR coordinates the activities of humanitarian partners.

Coordination meetings

- ARRA and UNHCR jointly chair camp coordination meetings at camp level.
- Sector coordination meetings like WASH, health and child protection are conducted weekly or as needed at camp level.

Leitchuor Refugee Camp: Who does What Where (3Ws)
