

NFI Distribution at Akcakale camp

# IOM RESPONSE TURKEY

[NOVEMBER 2012]

## NFI Distribution Sites

Over **27,000** NFI kits have been distributed to displaced Syrians in five different camp sites in Turkey:

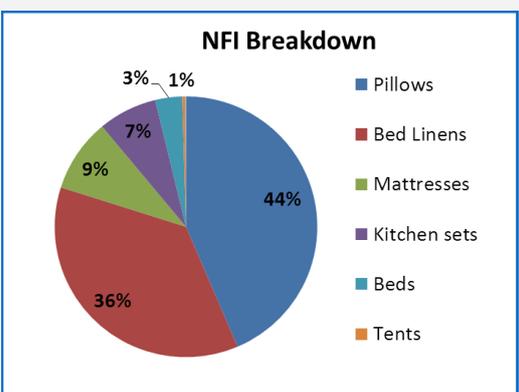

- Akcakale camp (Sanliurfa)
- Ceylanpinar camp (Sanliurfa)
- Islahiye camp (Gaziantep)
- Karkamis camp (Gaziantep)
- Yayladagi camp (Hatay)

## Emergency NFI Distribution

Currently over 110,000 Syrian refugees are receiving protection and assistance in camps in the seven border provinces of Adiyaman, Hatay, Sanliurfa, Gaziantep, Kilis, Kahramanmaras and Osmaniye. The Government of Turkey has adopted a temporary protection regime for displaced Syrians, the majority of whom are hosted in 13 tent cities, a temporary reception centre and a container city.

Accessing basic non-food personal care items is a priority for displaced Syrian nationals residing in Turkey's camps. The need for NFIs, particularly blankets, tarpaulin and heaters, has become urgent as the winter season approaches. In order to maintain proper sanitation in the camps, additional shower and WC containers are also needed.

As of 7 Nov, IOM has distributed over **27,000** NFIs to displaced Syrians in five different camp sites in close coordination with Turkish authorities and the Turkish Red Crescent (Kizilay). The NFI kits include critical winter items, essential household items, WC containers and shower containers.
