KEY DEVELOPMENTS

The Government of Turkey (GoT) takes the lead role in determining NFI requirements for the refugees in camps.

The delivery of the additional 32,500 cooking facilities, consisting of hot-plate cookers, metal cupboards and mini-fridges that were procured directly by UNHCR was completed in October.

Procurement process of 240,000 high-thermal blankets for winterization assistance by UNHCR is underway. Delivery expected by mid-January.

Delivery of 518 wheelchairs to the camps for persons with disabilities by UNHCR is completed. Procurement of 1,200 additional wheelchairs is being planned.

Procurement process for contingency (preparedness) items (kitchen sets, medium blankets, jerry cans, sleeping mats, rubhalls) for 40,000 Syrians has been completed. Delivery of the items to Turkish Red Crescent Society warehouse was completed within October.

The central warehouse that was identified in Gaziantep for UNHCR distribution/supply has become operational in October.

Tendering process for oil-filled radiators for the winterization needs of refugees is completed and a frame agreement is in place. Based on the initial urgent need for 2,550 radiators for camps where temperatures are already approaching sub-zero (Malatya and Mardin), procurement has been initiated, to be completed in November. Procurement of additional 50,000 radiators is being planned to start in November.

Tendering process for the procurement of winter clothes for 150,000 children completed. Procurement of the clothes was initiated after approval of the frame agreement by HQ; delivery to the central warehouse expected by 27th November.
