Syrian Refugee Response Plan (RRP6) 2014 : Categories, Sectors, Objectives and Funding of the Syrian Refugees Response

March 2014

iraqerbim@unhcr.org

Categories (3) of Response Priorities

1. Life-saving or preventing immediate risk of harm	2. Preventing deterioration of vulnerabilities	3. Capacity-building/Resilience
Lack of (physical, social, medical) intervention leads to a lifethreatening situation or serious imminent harm.	Lack of (physical, social, medical) intervention leads to serious deterioration in wellbeing and/or increased vulnerability, serious long-term negative impact.	Lack of (physical, social, medical) intervention leads to increased dependency and limited capacity for increased resilience.
Essential for preserving the protection space for refugees, including through counteracting a serious deterioration in host community wellbeing.	Essential for improving the protection space for refugees, including through preventing a deterioration in host-community well-being.	Building national capacity to maintain/improve protection space.
Essential for ensuring access to protected status, access to basic rights and preventing imminent harm.	Essential for promoting access to rights, safeguarding well-being and building up resilience.	Critical for building longer-term and sustainable resilience and capacities; strengthening civil society structures.

Priority Sectors and Objectives

Sector/Response	Sector Objectives	Leading Agency (ies)
 Protection	<ol style="list-style-type: none"> 1. Access to territory and safety ensured. 2. Capacity and Quality of registration and profiling improved and maintained. 3. Risk of SGBV reduced and quality of response improved. 4. Protection of children strengthened. 5. Community self-management and participation improved. 6. Durable solutions for Syrian refugees facilitated. 	UNHCR
 Food	Food Security for all Syrian Refugees in need is ensured.	WFP & UNHCR
 Education	<ol style="list-style-type: none"> 1. To increase access to inclusive and equitable education opportunities for Syrian refugees, boys and girls from pre-school to university education levels using formal and alternative approaches by December 2014. 2. To improve quality of education for Syrian refugees, boys and girls, accessing inclusive education from pre-school to secondary level by December 2014. 	UNICEF
 Shelter	Shelter and infrastructure established, improved and maintained.	UNHCR
 Basic Needs	<ol style="list-style-type: none"> 1. Provision of Core Relief Items (CRIs) to refugees upon arrival into Iraq. 2. Replacement of Core Relief Items. 3. Provision of Core Relief Items based on seasonal requirements. 4. The provision of logistics capacity and distribution modalities for Core Relief Items. 	UNHCR
 Health and Nutrition	<ol style="list-style-type: none"> 1. Improve equitable access, quality, use and coverage to essential health care services, including referral, to Syrian refugees in camp and non-camp settings while ensuring sustained coverage of preventive, promotive and curative interventions in Iraq by end of 2014. 2. Improve coverage of comprehensive health services to Syrian refugees through integrated community level interventions by end of 2014. 3. Support the capacity of the national health care system to provide health and nutrition services to Syrian refugees and vulnerable Iraqis in the most affected governorates by the end of 2014. 	WHO UNHCR
 WASH	<ol style="list-style-type: none"> 1. WASH interventions targeted affected populations are effectively coordinated at the national and sub-national levels in close collaboration with other sectors. 2. Affected populations have timely, equitable and sustainable access to sufficient water of appropriate quality and quantity for drinking, cooking and maintaining personal hygiene. 3. Affected populations have access to safe, sanitary and hygienic living environment through provision of sanitation services that are culturally appropriate, secure, sanitary, user-friendly and gender-appropriate. 4. Affected populations have reduced risk of WASH-related diseases through access to improved hygienic practices, effective community mobilisation to address harmful current practices, hygiene promotion, and delivery of hygiene products and services on a sustainable and equitable basis. 	UNHCFE
 Livelihoods	<ol style="list-style-type: none"> 1. Provision of Individual Support through employment generation initiatives, public service provision and SME promotion. 2. Access to on-the-job, post-secondary and vocational training. 	UNDP and UNHCR

Funding Requirements (2014)

59 organizations operating in 4 governorates in 14 camps and non-camps, please consult annex 3Ws.

Refugee Population
approximately
58,500
(Persons Registered)

Planned capacity:
27,000
(Persons)

Needs Met	Minimum Sectoral Data (standard)	Current Sectoral Data	Analysis
	 <p>Health: ▶ Extent Persons of Concern (PoCs) have access to primary health care. 1 health centre for 20,000 persons.</p>	▶ 1 Comprehensive Primary Health Center.	A primary health care is established with one health posts. A Satellite health post was established. Mental health clinic will be merged with the primary health center.
	 <p>WASH: ▶ Liters of water/person /day: =20 ▶ Persons per latrine: <20 ▶ Persons per shower: <20</p>	<p>▶ Liters of water/person /day: average 34 for the entire camp. ▶ Persons per toilet: estimated at 18-20. This number varies greatly per sector. There a large number of privately build household latrines. ▶ Persons per showers: very difficult to estimate. Some figures suggest, 40 people per shower, however, many families have private showers in the shelters.</p>	The majority of families have access to piped water, however, there is still some trucking going on. Government and partners are arrived to a final decision about the overall sewage, sanitation scheme, with a decision on the design expected the first week of March. For latrines and showers, although there are temporary/shared service provided for residents, many people have constructed makeshift latrines and showers next to their dwellings.
	 <p>Protection: ▶ 100 % of PoCs registered on individual basis.</p>	▶ Population registered on family basis.	Registration of non-camp caseload (urban Dohuk) has resumed effective, along with regular registration updates for camp population.
	 <p>Food : ▶ Extent food aid is appropriately distributed. ▶ Kilocalorie (Kcal)/person/day: 2,100</p>	▶ Kilocalories person /day: 2,100.	Adquate quality and quantity of food aid provided through food vouchers redeemable in retail shops in Domiz.
	 <p>Basic Needs: ▶ 100% population received the full CRI kits.</p>	▶ 100 % of households whose needs for basic and domestic items are met.	Refugees received Core Relief Items (CRIs) kits upon the arrival in the camp including distribution of winterization kits.
	 <p>Shelter: ▶ Average camp area per person 30 sq m ▶ 100% of households living in adequate dwellings</p>	<p>▶ The planned average area per person: 45 sq. m. ▶ The current average area per person: 26 sq. m. ▶ 80% of households living in adequate dwellings.</p>	The area of the camp is not enough to accommodate the existing refugee population. Additional land was allocated, but still to be developed. Relocations from flood prone and irregular areas are ongoing to new developed areas. Some 1800 families are either sharing tents with other families or live in irregular locations and are in need of settlement in proper areas of the camp which are under development.
