Summary of discussions and action points

1.	2015 projections by Rana Ksaifi – UNHCR-Registration Officer
	<ul style="list-style-type: none"> ▪ To date (January-June): total registered are 8% short of projection (290,215 out of 315,000 expected) total appointments requested are 4% higher than projection (374,340 out of 360,000) ▪ As of 30 July 2014: Reached 77% of the total population projected by end 2014-Reached 74% of the 1.5M RRP6 projection by end 2014 (Does not include waiting registration; currently approx. 28,500) ▪ 2015 expectation: <ul style="list-style-type: none"> ○ 35% decrease in new registration & 30% appointments from 2014 ○ 33,333 Registered/month (1,587/day) ○ 42,000 Appointments/month (2,000/day) ○ Total Registered: 400,000 ○ Total end year population: 1,835,835 ▪ Concerns were raised regarding the issue of refugees departure and return ,(12.000 HH returned to Lebanon for the month of July)- these cases need to be checked prior of being deactivated from UNHCR database <p>Action point: Sectors to engage with colleagues to get their planning figures for the 3RP regarding Lebanese poor and institutions, Lebanese returnees, PRS and PRL directly affected by PRS.</p>
2.	Health Update by Alisar Rady –WHO-Senior Public Health Officer Frank Tyler –UNHCR-Senior Public Health Coordinator
	<ul style="list-style-type: none"> ▪ Referral of Syrian refugees from PHC to (third party admission) TPA contracted hospitals (22,000) ▪ Referral from PHC to SHC (labs and radiology) based on eligibility set of services. ▪ Total hospital bill for 1Q was \$11.3M, UNHCR contribution \$8.3M ▪ Admission to SHC through Emergency room cleared by TPA , based on life saving condition criteria ▪ Provision of equipment to 180 PH centres in progress ▪ Expansion of PHC centres subcontracted by UNHCR, and 10 % increase in PHC MOPH network ▪ Nutritional status of refugees is considered a Low public health concern in Lebanon- A nutrition program is established at the MOPH ▪ WHO Lebanon started rolling out the mental health GAP training in 35 centers

	<ul style="list-style-type: none"> More than 314 patients treated since January 2014 Leishmaniasis A Water Diarrhea preparedness plan (AWD) is being developed (MOPH/IA) Consequences of Underfunding were presented -With a 41% Funding Gap, 900,000 refugees and vulnerable Lebanese will have reduced access to basic curative and preventive treatment and children will be at greater risk of contracting preventable diseases, and all will be vulnerable to outbreaks of communicable diseases.
3.	VASyR 2014 preliminary results by Susana Moreno -WFP-Food Security Specialist
	<ul style="list-style-type: none"> The VASyR 2014 aims to provide an updated overview of the living conditions of Syrian refugees one year on from the VASyR 2013. Joint exercise between UNHCR, UNICEF and WFP. VASyR 2014 will provide a basis for decision making and reviewing of programme activities including RRP6 & targeting. VASyR 2014 interviewed 350HH/region (total of 1750HH), registered or awaiting registration, from 26 May to 13 June (3 weeks). Preliminary results were shared <p>Action point: More detail and in depth presentations and discussions of results will be held in the coming weeks at each sector working group level and regional level.</p>
4.	3RP status update by Clark Soriano-UNDP -Senior Advisor, stabilization & recovery
	<ul style="list-style-type: none"> The first guidance note was introduced to develop the 2015/16 Plan to address refugee protection and humanitarian assistance needs whilst seeking to build the resilience of vulnerable communities and strengthening the capacity of national and municipal delivery systems. The first step is to engage sector members in the situation analysis and provide by 15 August a sector-specific narrative Lebanese Crisis Response section of the 3RP will be initiated by UNHCR and UNDP. UNDP is prepared to provide support to agencies leading on the resilience/stabilization portion. UNDP will advise if other sectors would be needed to deliver a resilience response. The government leading role in all sectors will be preserved. <p>Questions and concerns were raised regarding the 3RP guidance note not yet endorsed, the situation analysis, gap analysis to be done- a request was made to better define the term resilience</p> <p>Action point: Planning will continue within the existing sector structure, sectors to come up with a strategy related not only to refugee response but focus should be made on building resilience.</p>
5.	AOB
	<ul style="list-style-type: none"> DRC mentioned the Newcomers database that was released this week and asked support from agencies to sign the DSAs available, a more detailed email to be shared with sectors. On the occasion of World Humanitarian Day (19 August 2014) Messenger of Humanity is launched, a community of online activists dedicated to sharing humanitarian messaging and content through social media network.
