

# THE IMPORTANCE OF UNHCR ASYLUM-SEEKER CARD

## Reasons to keep your UNHCR Yellow Card Valid

 The UNHCR yellow card allows you and your family to be recognized as asylum-seekers in Egypt and serves as your legal identification document in Egypt. The UNHCR Yellow Card helps you with your daily interaction with Egyptian authorities. This will also help protect you and your family from being returned to Syria.

## It also enables you

-  To obtain a residency permit in Egypt.
-  To be considered for food vouchers and financial assistance.
-  To obtain a letter if required to enrol your child in school and to apply for educational grants for your children of school age.
-  To receive subsidised healthcare and psychosocial support from our partner clinics.
-  To be issued the necessary documentation for obtaining an Egyptian driver's license.

**Syrians need to carry with them at all times their passport and
