<p>GBVIMS Monthly Statistical report (September) pr</p>	<ul style="list-style-type: none"> • The coordinator of the GBVIMS TF presented the September monthly report reminding the SGBV SWG on the confidential character of it. It was however highlighted the increase of incidents reported in September in the urban setting, including forced marriage, physical assault and emotional abuse. • It was also pointed out that the majority of incidents are perpetrated by family members at the survivor's home and that a considerable % of survivors were youth between 12-17 years old. Psychosocial and recreational activities and stronger linkages with youth task force were recommended. • Case management agencies received most of the referrals from the survivors and other community members. Continued training and orientation on SOP for non-SGBV service providers was also suggested. • Additional data points will be soon included in the report to improve the analysis on referrals. • Agencies requiring additional information for protection related purposes can contact the GBVIMS TF coordinators (Anguita@unhcr.org; kasht@unfpa.org;)who will consult the TF members and revert accordingly 	<p>Continue compiling and sharing reports and analysis on monthly, quarterly , semester and annual basis</p>	<p>GBVIMS TF</p>
