

STATISTICS AND HIGHLIGHTS

- Occupancy in Asylum and Reception Centres, as well as temporary Asylum Centres and Refugee Aid Points (RAP) for transit accommodation, shrunk by over 60% during the last month. RAPs in the West emptied fastest, while Asylum Centres, which offer better standards of accommodation and services, remain under-utilized.
- UNHCR and partners learned of **34** irregular arrivals, **24** from Bulgaria and **10** from FYR Macedonia.
- Around **60** asylum seekers departed by accessing procedures in Hungarian “transit zones” at the border.
- **One** woman expressed intent to seek asylum, bringing the total in April 2016 to **198** and for the whole of 2016 to **2,139** (statistics courtesy of the Ministry of Interior).

SOUTH

459 refugees remained accommodated in the Reception Centre (RC) in Presevo. UNHCR/SPDE distributed 365 water bottles and 241 WFP HEBs. Responding to refugees requests, UNHCR coordinated with REMAR, Caritas and SPDE to increase the supply of drinking water until a more long-term water supply system is in place.

The Divac Foundation assisted with clothes and food. The UNHCR-supported Public Health and the Natan/Humedica NGO clinic treated 72 patients. The UNICEF/DRC/CSW child friendly space hosted 56 children and 30 women while the mother and baby corners hosted 12 children and 14 women, including two pregnant.

EAST

24 Afghans, including 18 children arrived from Bulgaria near Dimitrovgrad. UNHCR partners Sigma Plus and Indigo as well as SCRM, Red Cross and WAHA provided food, water and other aid. Eight unaccompanied and separated children (UASC) were transferred to the Youth Upbringing Institution in Nis and expressed their intention to seek asylum in Serbia.

BELGRADE

Over **250** refugees/migrants were observed by UNHCR partners in Belgrade. They were mainly from Afghanistan, Pakistan and Iran. The Asylum Info Centre (AIC) remained open 24/7 and assisted over 150 refugees/migrants, including new arrivals from FYR Macedonia while MSF provided medical assistance. More than 100 spent the nights in parks near the bus and train stations.

NORTH

Distribution of aid at the Horgoš border crossing on the Serbian-Hungarian border, Horgoš (Serbia), ©UNHCR, 11 April 2016

Over **90** asylum seekers, including women and 22 children, waited in improvised tents outside the two "transit zones" in Kelebije and Horgos. Around 30 asylum seekers were admitted into each border crossing.

During the day UNHCR/HCIT distributed 240 food packages, 248 water bottles, 121 hygienic packages, UNHCR blankets, jackets and UNICEF toys in both locations. MSF offered medical assistance and distributed other humanitarian aid.

WEST

Less than **150** refugees remain in Sid, Adasevci and Principovac RAPs. Red Cross and CRS/Divac Foundation continued to provide hot meals. In Adasevci, the SCRM counselled all refugees on their right to seek asylum in Serbia. The BCM/Sid Health Centre at Adasevci assisted over 50 patients while WAHA treated another 16 refugees in Sid and Principovac.

UNHCR is grateful for contributions to the UNHCR Serbia Operation from:

Additional contributions came from private donors in Australia, and in-kind donations from the World Food Programme and IKEA, in-kind donation from Youngone and Swedish company "Radiohjälpen"
