Around **130** asylum seekers, including many women and children, waited outside the two “transit zones” near Kelebije and Horgos I border-crossings. They arrived from transit facilities in the West or entered Serbia irregularly from FYR Macedonia or Bulgaria and had reached the North through Belgrade. Some 30 asylum seekers were admitted into each “transit zone”.

In both locations UNHCR/HCIT distributed food, 216 water bottles, 30 hygiene packs, UNHCR blankets, socks and 100 raincoats. MSF provided medical assistance to asylum seekers and also distributed food and non-food aid.

UNHCR’s request to be allowed to place chemical toilets in these waiting areas to address the most urgent hygiene needs of asylum seekers is still pending approval by authorities.

WEST

CRS/Divac Foundation continued to provide hot lunches in all three locations.
