

SHLETER + NFI SECTOR WG STANDARD INDICATORS – ACTIVITY INFO REPORTING SYSTEM

OUTPUT	INDICATOR	TARGET
1. Coordination and Information Management		
1.1. All shelter and NFI actors achieve effective, inclusive coordination with support to informal volunteer input and by engaging relevant Greek authorities from site to central level.	1.1.1 Number of local volunteer groups and Greek NGOs participating in the Shelter and NFI working group meetings at national and/or operational levels.	
	1.1.2 Number of government authorities who have received technical guidance from the Shelter and NFI Working Group.	
1.2 Establish, validate, promote and monitor the use of technical guidance across all shelter and NFI interventions in Greece.	1.2.1 Number of shelter technical reference documents created and used by shelter actors (i.e. assessment tools, minimum standards, distribution SOPs, tracking system standards, selection criteria etc.).	
	1.2.2 Number of NFI technical reference documents created and used by NFI actors (i.e. assessment tools, minimum standards, distribution SOPs, tracking system standards, selection criteria etc.).	
2. Shelter		
2.1 Based on needs and demographics, the site context, local economy and existing resources, refugees and migrants receive the most appropriate shelter.	2.1.1 Percentage of refugees and migrants living in adequate shelter to minimum international SPHERE standards.	95
2.2 Define the vulnerability criteria and provide specific solutions for those persons/families, taking into consideration the expected period of residency.	2.2.1 Percentage of vulnerable families provided with age/gender/diversity (AGD)-appropriate shelter solutions.	100
2.3 Refugees and migrants live in seasonally appropriate shelters.	2.3.1 Number of shelters that have been upgraded to sufficiently withstand summer and winter conditions in Greece (summerised and winterized).	
2.4 Refugees and asylum seekers, as well as indirectly the Greek economy, benefit from cash-based shelter assistance, where the precise modality stems from in-depth needs, context and market assessments.	2.4.1 Number of refugee and asylum seeker households supported with cash assistance for shelter improvements.	
	2.4.2 Number of refugee and asylum seeker households supported with cash assistance for rent.	
3. Non-Food Items		
3.1 Tailored and standardised non-food item kits distributed to refugees and migrants in a timely and non-discriminatory manner.	3.1.1 Percentage of refugee and migrant households whose specific NFI needs are met.	95
	3.1.2 Number of vulnerable persons provided with AGD appropriate NFI solutions.	

4. Community participation

4.1 Accountability to the affected populations is strengthened through direct refugee/migrant participation in shelter/NFI programs.

4.1.1 Number of shelter and/or NFI responses where the beneficiaries were directly involved in the full project cycle; planning, implementing and monitoring.

5. Alternatives to camps

5.1 Refugees and asylum seekers have access to adequate housing that promotes self-sufficiency and is within reach of local community/social services.

5.1.1 Number of refugees and asylum seekers who receive safe, secure and dignified urban shelter within renovated existing building stock (i.e. apartments, hotels, offices etc.).
