Introduction	Round table introduction from all partners present.	All partners	3 min
Announcements	<p>WASH Co-Chair duration: Continuing to the last discussion made during the previous WASH meeting in November about the WASH Co-Chairing duration. The WASH Co-chairing period will end on February 2017. A new nomination will be done early 2017. The group thanked the Co-Chair for his active and positive impact on the sector coordination.</p> <p>Hygiene Promotion expert recruitment: The recruitment process at UNICEF is ongoing for a HP expert. Till then, UNICEF is not able to provide someone who can lead the HP TF.</p> <p>Gender-based Violence GBV Guidelines training for WASH Sector: The SGBV training was conducted on 16 November for the WASH Sector with 15 participants from ACTED, LWF, Mercy Corps, Operation Mercy, Future Pioneers, ACF, WV and Oxfam. The WASH Sector partners who participated will share the training outcomes. Mercy Corps and ACTED will present the outcomes of the GSBV training next meeting in January 2017.</p> <p>Risk Mapping Workshop: The workshop was held on November 22 and 23 and was organized by OCHA, Jordan Civil Defence (JCD) and the newly established National Centre for Security and Crisis Management (NCSCM). In the workshop representatives were mostly from the government sectors (line ministries) and only Oxfam as an INGO has participated. Dr. Sima was asked to present next WASH meeting in January 2017 a presentation about the risk mapping (disaster risk management for Water & Sanitation- Jordan Situation) including exercises, background, interventions and what could be applied to Jordan. She was nominated to present the WASH WG in the risk management issues and all partners were encouraged to join as well.</p>	<p>Roelof (WV) & Esmaeil (UNICEF)</p> <p>Esmaeil (UNICEF)</p> <p>Esmaeil (UNICEF) & Dr. Sima (Oxfam)</p>	15 min

Last meeting action points	Reviewed last meeting action points and the list was updated.	Roelof (WV)	15 min
JRP 2017-2019/ ActivityInfo Planning database	<p>JRP 2017-2019: After long discussion between the MoWI and MoPIC. It was requested by MoPIC to reduce the estimation proposed last year. Last year, when the WASH Sector did the proposal budget for three years, it didn't take into consideration the HC and the Berm. The Inter-Agency Coordination at UNHCR tried to discuss the matter of getting the approval on the projects budgets requested, since it was well calculated based on a real needs. MoWI contacted UNICEF today and informed that MoPIC forced to have the requested cuts. UNICEF will work on that will update the WG accordingly. The validation meeting is scheduled for 19 December.</p> <p>ActivityInfo Planning database All partners uploaded their projects on the ActivityInfo but after the cut requested by MoPIC, partners (IM Focal points) might be contacted to make changes of the budget and targets.</p> <p>A training on ActivityInfo monitoring and will be conducted for all partners in January 2017 by UNHCR, it will be on how partners can report on 2017. The invitation will be circulated to the WG before end of December. It was suggested to arrange another training on JORISS as well at same time to all partners.</p>	<p>Esmail (UNICEF)</p> <p>Roelof (WV), Esmail (UNICEF) & Maysa (UNHCR)</p>	10 min
ITS Location sharing	<p>Locations of ITSs should not be widely available information due to protection issues, also it's not easy to monitor the movements. It's a protection issue that data should remain confidential. It was suggested to ask UNHCR protection colleagues to arrange a presentation about data protection.</p> <p>One of the accidents was happened early, that MCC (donor), had implemented projects in Zarqa for Wastewater, and due to not measure the massive arrival of Refugees and plan for it. The MCC went to UNHCR requesting for the refugee data, but it was requested to submit by written all the information needed by MCC to the UNHCR Representative to facilitate having these information without giving details about refugees; names and contact details.</p>	Roelof (WV), Eva (UNHCR), Jakob (ACTED) & Esmail (UNICEF)	5 min
"ISWG sector review 2016-Sector Performance Survey"	Roelof is the focal point to contact Elena Guseva, Associate Inter-Sector Coordination Officer at UNHCR to ensure the WASH WG feedback and its involvement in designing the 2017 Sector Performance Survey.	Roelof (WV) & Esmail (UNICEF)	5 min
Inter-Sector Linkages	The inter-sector linkages sheet shared with the present partners of the WASH working group, it was created a few months ago in cooperation with the inter-sector coordination unit and the sector chairs. It could be a component of the WASH sector work planning for 2017. This document presents linkages among WASH and other sectors, achievements, lessons learnt, best practices and challenges. The documents for WASH linkages and other sectors will be shared with the WG for updates. It was suggested to add the linkages between WASH and Shelter.	Roelof (WV) Esmail (UNICEF) & Maysa (UNHCR)	10 min
UNICEF updates	<p>Sustainable Development Goals (SDGs): The Strategic Development Goals (SDGs) are 17 goals, WASH has one goal (goal 6). Goal 6 has 11 indicators and 6 activities. The 6 sub goals are water, sanitation, environment, etc. Jordan is one of the model countries in the area used for the SDGs. MoWI is leading/chairing the WASH group to compile the SDG 6. Process is ongoing.</p>	Esmail (UNICEF)	5 min
