AVSI : grant the approval from MOE to start on rehabilitation for 3 schools, 2 in Rsifeh and one in Jarash, FGD on the manual on the soft component training for the teachers.

MECI: Ongoing efforts on the L4A campaign for enrollment of OOSC within formal outlets. 14 LSS centers resumed activities after a month of break / training for a second cycle to go on until July. 6 MAKANI centers were delayed in activities as teachers/facilitators were mobilized and attached to DSS schools in support of L4A. 3 more LSS centers are still operational in Irbid until the end of March.

2. Quality education

2.1 Training of teachers/facilitators

FCA : has been provided several training to the LSS facilitators in Azraq, Zaatari camps and the host community center in Nuzha, Main Topic is Psychosocial support, life skills, disability and inclusive education and child centered approach, FCA cooperate in this training with Finnish organization (Teacher without boarder).

RI : will provide in partnership with medical foundation from Germany PSS training, three sessions in Zaatari and Azraq, it will be open for all partners in Azraq and Zaatari Camps, specially facilitators working as social worker and PSS facilitators, its open for Syrian and Jordanian.

UNICEF : there is catch up training on going, there has been guidance to develop catch up centers and this manual is going to be rolled out in 4 hour training session and it will be more detail training in March and April.

LWF : trained 131 formal teachers (female and Male) in students council, communication and PTS's and 60 trained teachers for remedial classes.

MECI: provided various training sessions across 20 LSS/MAKANI centers. Ongoing until the beginning of March, overall 148 frontline workers will be trained through various sessions addressing education, psychosocial and child protection issues/themes. Another round of training scheduled for April in Irbid.

4. Updates from coordination mechanisms (camps, urban).

Azraq Camp updates by RI :- in the last meeting partners discussed the FE updates and L4all results, the construction work in the formal school at V3 on Azraq camp will be completed by the end of Feb, will be added new full classes to accommodate 30 students per each class room, the formal schools will accept all children between 1st of Jan till 31st of April 2017 in the first grade, transportation for students in Azraq camp started with IOM and Makani partners monitoring the transportation.

-L4all results till Feb 22nd **8950** out of school children referred to formal education and catch up classes

- Discussed the violence at schools and suggested to developed a training to all Jordanian LSS teachers at Makani centers and include formal teachers too, organize different events that include parents and teachers in more interact activities. also activate complaining mechanism tools, communicate with MOE child protection hotline and disseminate the hotline numbers among partners

-RI also suggested to establish Youth task force to coordinate and organize more youth services in the camps, the group agreed to start by mapping all youth services.

Zaatari updates by UNICEF: there is a TF now called violence in schools, which is operating the cause of issue that are raising in Zaatari, started in Feb and hold two meeting, the idea of the TF is to develop a strategy that reducing the violence in schools.

Irbid Coordination updates: a few agencies (livelihoods, Education, USAID, WFP) called to do a separates TF for Education livelihood, in order to raise awareness to do the job matching for University graduates in the coming years.

-Another call to have TF for World Refugee Day event, lead by Education and livelihood actors in the North.

-Luminus group are very active in Irbid recently, they have consortium of several organizations, implement projects of economic development in Mafraq and Irbid and into partnership with other organizations. Looking to implement informal education and higher education opportunities in Irbid.

Irbid Referral meeting updates : new campaign by UNHCR in cooperation with ARDD to raise awareness on issuing birth certificate for children over one year of age and still have not issue their certificate , if partners need information about the campaign or Posters , Flyers they may contact ARDD organization Zainab Al-Khalil : zkhalil@ardd-legalaid.org

Mafraq Coordination updates: As of beginning of Feb there is 38,000 work permits have been granted, including 1,518 work permits Issued for woman.

-The Job fair that took place at princess Basma Center, 25 private potential employers present from different company and factory in Zarqa and Ramtha , 1000 Syrian refugees and 100 Jordanian were invited to the event .

-ITS Mappind in Mafraq ,REACH have done comprehensive mapping of ITS cross the country, after they stopped there is no organisation took over the update mapping of ITS's, newly UNHCR Mafraq started working on update mapping on Mafraq governorate , using information that ACTED has due their regular presences in ITS's , formal REACH information and UNHCR information on ITS's location .for now there is 140 ITS's sites with approximately 2200 families .
