Education	<ul style="list-style-type: none"> IDPs children were out of school in the camp because of there isn't enough teacher and TLS. Now, all of the IDP parents are very happy because of receiving message that LWF will implement education activities in the camp.. CMC members requested LWF to negotiate with government and Land owner for Land of TLS construction were identified and finalized with CMCs. 	<ul style="list-style-type: none"> A large number of children in the camp are out of school.
Food	<ul style="list-style-type: none"> Save the Children distributed food ration, bean, oil, and salt and nutrition package for November. AGE/CAR informed that they will distribute additional food (dry fish, onion, Chili and onion in December. ACF is implementing fnutrition program as well as health care for pregnant women. 	<ul style="list-style-type: none"> IDPs requested agencies to provide cooking fuel.. IDPs are requesting Save the Children to provide food for new born babies.
Health	<ul style="list-style-type: none"> MHAA conducting health clinic from 8:00 am to 11:00 am every Monday and Wednesday of the week. But they have difficult to get treatment in remaining days of the week. They are also facing the problem to treat chronic disease. There are some health volunteers who were trained by MSF and practitioner indigenous medicine in camp. Hygiene kits distributed by SI on October 28 for three months. Some IDPs are suffering malaria, dengue fever and diarrhea. 	<ul style="list-style-type: none"> CMC asked for mosquito nets in the camp. CMC Chairman also asked agencies to support for elderly and disabled persons in camp. IDPs say they don't want to go to Sittwe General Hospital because they do not receive proper health service.
