<u>Issue</u>	<u>Status</u>
<ul style="list-style-type: none"> ➤ SECURITY: Continued obstruction of NGO operations by the camp administrator and his supporters. A fight broke out on 17 July between the group preventing NGO operations and the group wanting all NGOs to be able to provide regular services (incl. current NGO staff). Several persons were injured, police intervened, order was restored. ➤ CAMP MANAGEMENT: Repeated complaints about high number of people, especially children, slipping on the walkways - unsafe during the rains. IDPs would like walkways reinforced with stone. <ul style="list-style-type: none"> ▪ SHELTER: Insufficient shelter for all IDPs due to the new arrivals during 2014. ➤ WASH: SI activities suspended due to resistance from IDP representatives. Access to water reportedly not perceived by IDPs as a serious problem due to availability of rain water. Many latrines are reported damaged, open defecation can be observed. ➤ HEALTH: MoH mobile clinic came once during this month and was not able to receive all the patients. Most worrying conditions reported by the IDPs: malaria, diarrhoea, TB. ➤ FOOD: WFP food delivered (rice, beans, oil, salt, nutritional supplements), but not covering the more recently arrived IDPs. ➤ EDUCATION: Students continue to attend classes in a modular house, reported to be difficult for them and unsafe. Awaiting school renovation by UNICEF. ➤ NON-FOOD ITEM: ICRC delivered firewood on 02.07.2014 for all HHs. ➤ PROTECTION: Regular protection monitoring, IPA, and support to women's group ongoing. ➤ NUTRITION: SCI activities suspended due to obstruction by camp administrator and his supporters. ➤ CHILD PROTECTION: SCI activities suspended due to obstruction by camp administrator and his supporters. 	<p>-Ongoing inter-agency efforts to resolve the situation, led by SI and SCI.</p> <p>-Ongoing inter-agency efforts to resolve the situation, led by SI and SCI.</p> <p>SCI Food is looking into this.</p> <p>LWF has taken on Education in ANY camp. The Monthly record represents a snapshot of the week's situation in the camps and villages where DRC works and aims to capture the issues relevant for DRC operations. This record does not presume to provide a comprehensive picture of the progress and challenges for every sector in each location.

Existing protection referral pathways and the CCCM complaints response mechanism form the foundation of this report. DRC seeks to verify concerns reported to the extent possible and share information with the relevant sectors/agencies for further action.
