Governance

The Ministry of Interior (MOI) is responsible for administration in nine camps. Umpiem Camp Commander is the Deputy District Officer of Phop Phra District. A refugee Camp Committee is directly involved in camp governance, and received support from the Karen Refugee Committee.

A Thai Ranger Unit is stationed near the camp to monitor security. Territory Defense Volunteers, known as Or Sors, are employed and trained by the MOI to provide internal camp security.

Voluntary Repatriation

Given the significant political and security changes taking place in Myanmar, preparedness for voluntary repatriation (VolRep) began in early 2012. Planning for VolRep has steadily increased following positive events such as the signing of the Nationwide Ceasefire Agreement in October 2015 and the General Election in November 2015 which led to the formation of the new civilian government led by National League for Democracy (NLD). In order to support the preparedness for voluntary repatriation of refugees who reside in the nine temporary shelters, various tools and activities have been developed and carried out in close consultation with NGOs and the refugee community.
