All eligible families received USD 19 per person, per month, in the form of e-vouchers or, in the cash of Akre, unrestricted cash, giving greater freedom to choose which food items to buy.

The Tech for Food programme expanded in June 2018, with campuses now in Sulaymaniyah, Erbil and Dohuk. In total, 266 students engaged in training, with over USD 4,000 earned from microwork in June 2018.
