

Democratic Republic of the Congo situation

This update concerns the situation of Congolese refugees and asylum seekers in countries in the region.

Total number of refugees and asylum-seekers from the DRC.

Internally displaced people (as at December 2017)
Source: OCHA

Planning figure of DRC refugees by December 2019.

Total number of Congolese refugees assisted to return in 2018

BASIC INFORMATION

POPULATION FIGURES

- The figures in this report were updated to reflect the results of **continuous biometric registration and verification exercises** in countries of asylum.
- The figures include additions (new arrivals and births) and subtractions (departures, deaths, no-shows during food distributions and deactivations).

2019-2020 RRRP

- UNHCR together with 56 humanitarian and development partners launched the **2019-2020 Regional Refugee Response Plan (RRRP)** on 11 December 2018 for US\$743 million to help respond to the needs of Congolese refugees in Africa.

FUNDING

- UNHCR received **\$10.6 million** for the DRC situation, representing only **3 per cent** of the total requirements for 2019, which amount to \$ 414.9 million.
- The interagency 2019-2020 Regional Refugee Response Plan (RRRP) for the DRC situation received **\$13 million**, representing only **2 per cent** of the total requirements for 2019, which amount to \$ 743 million.

Total of New Arrivals in Countries of Asylum since 2018
