SITUATIONAL ANALYSIS

DRC:

- ❑ Total number of arrivals in March: [3662](#)
- ❑ The situation in North and South Kivu remained highly volatile due to continued armed attacks, threatening civilians' security and hampering the Ebola response
- ❑ UNHCR office in South West is monitoring frequent border movements
- ❑ **Key priorities:** Ebola, CP, SGBV, Livelihood

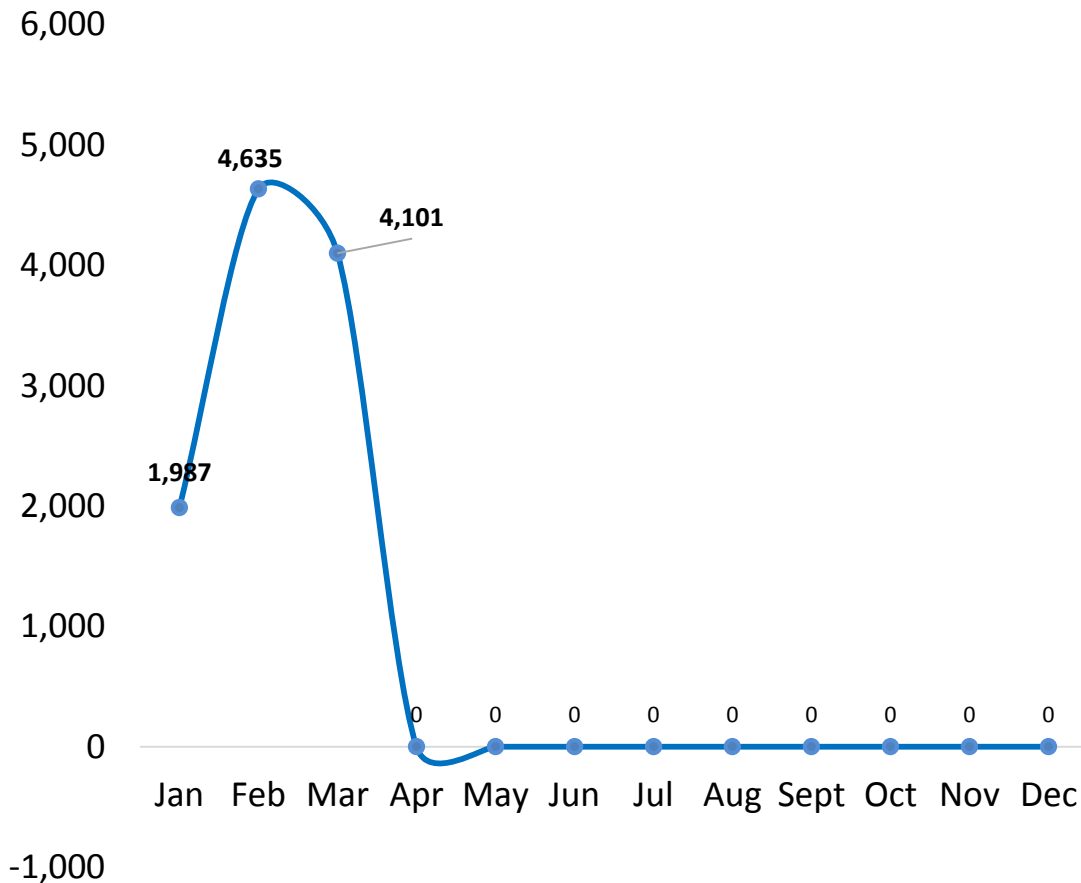

BURUNDI:

- ❑ Total number of arrivals in March: [361](#)
- ❑ The situation in Burundi remains unpredictable
- ❑ Majority of new arrivals enter Uganda through mainly through Mutukula, Kikagati, Mirama Hills, and Katuna.
- ❑ The main reasons for flight are continuous attacks and arrests linked to refusal to vote and voting against the referendum

SSD Situation

South Sudan New Arrivals 2019

- ❑ Total new arrivals in March: [4,101](#)
- ❑ Operational environment in South Sudan remains complex despite the signing of the Revitalized Agreement on the Resolution of the Conflict of the Republic of South Sudan (R-ARCSS) in Sept 2018.
- ❑ Localized fighting between Government and between opposition groups in Yei area, Central Equatoria, Wau Triangle area and Koch.
- ❑ Sexual and Gender Based Violence (SGBV) remains a central characteristic of the conflict. SGBV continues to be documented after the signing of the R-ARCSS.
- ❑ Children continue to be forcibly recruited while also suffering other grave child rights violations.
- ❑ UNHCR issued a non-return advisory that reiterated that the conditions in SSD are not yet conducive for voluntary return.
- ❑ **Key priorities:** SGBV, Youth, CP, MHPSS

Key Updates

- ❑ In April, FRRM logged **981** cases. **589** cases were handled at helpline level while **392** cases were referred to both partner and UNHCR focal points for follow-up.
- ❑ The FRRM team met with central partner focal points on 10th April to trouble shoot the FRRM pilot, conduct refresher systems demo, share updates on performance and decentralization of the referral network.
- ❑ The Parliamentary Forum on Refugees and Internally displaced persons (PFR-IDPs) was launched on 27th March 2019.
- ❑ The data collection phase of the new food distribution SOPs was completed. The final report is expected to be completed in May.
- ❑ A town hall meeting was held with Congolese Refugees at the Community Centre in Kampala on 28th March 2019
- ❑ The Safe from the Start evaluation in the Uganda operation is scheduled for 30th June to 13 July 2019. It has been tentatively agreed that Adjumani, Arua and Kyangwali will be evaluation sites.
- ❑ UNHCR attended a Ministerial Conference on Eradication of statelessness in the Great Lakes Region in Nairobi from 16-18 April. The purpose of the conference was to review progress by member states in achieving commitments to the Brazzaville Declaration as well as the Regional Action Plan.
- ❑ A mission of Executive Directors from the World Bank is expected in Kampala. The key focus areas will be self-reliance of urban refugees. An exhibition is planned on 26 April for urban refugees to present their self reliance activities.
- ❑ PSN assessment exercise was initiated in Kyaka and is planned to take place in Kyangwali in May.
