

## SECTOR ACHIEVEMENTS

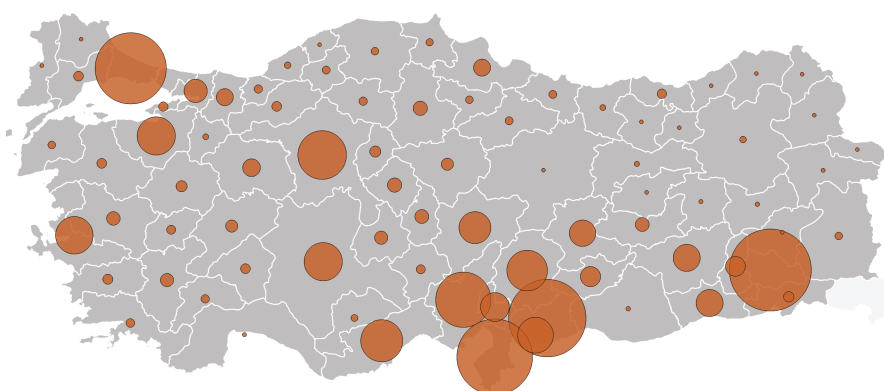

Basic Needs sector partners increased support to persons of concern in third quarter by continuing provision of monthly cash support to meet the most pressing needs of the most vulnerable, and providing complementary one-time cash assistance to meet the needs arising from the closure of Temporary Accommodation Centres (TAC) and the consequent relocation of residents to Turkish communities; and to address increasing seasonal expenses of vulnerable households in South East Turkey. Partners continued other programs such as shelter, in-camp food assistance, hygiene kits distribution and complementary awareness raising sessions.

By September 2019, the sector had cumulatively reached a total of 2.06 million PoC. The Emergency Social Safety Net (ESSN) program supported 1.69 million refugees in meeting their daily needs through monthly, unrestricted, multi-purpose cash. More than 90 thousand individuals benefited from one-time cash assistance to support relocation from TACs into host communities. Sector cumulatively reached over 200 thousand individuals with complementary cash programs from the beginning of the year; this number included winter support provided to persons of concern living in South East cities.

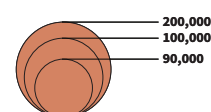

In the third quarter of 2019, Basic Needs partners continued to provide food assistance to individuals residing in both TACs and host communities. A total of 145,304 individuals were reached with food assistance in TACs and urban areas. Sector partners reached 71,411 individuals in new camps in Adana, Osmaniye, Kahramanmaraş, Elbeyli, Boynuyogun and Yayladagi. Shelter programs in South East cities reached a total of 12,116 individuals upgrading buildings and enhancing public spaces. Sector partners continued support to strengthening of municipal service delivery mechanisms.
