

# COLOMBIA: Refugee and Migrant Response Plan 2020

 **3.5 million** people in need

 **2.5 million** target population

 **US\$739 million** required funding

## STRATEGIC OBJECTIVES

**1.** Provide and improve effective access to critical goods and services in a complementary and coordinated manner to the State's response, supporting the State's response capacities (national and local).

**2.** Increase integration opportunities for the refugee and migrant population, including access to dignified work, productive resources, and livelihoods.

**3.** Strengthen the prevention and mitigation of protection risks, access to rights, and provide a response to protection needs, including to populations with specific needs.
