## KEY UNHCR ACTIVITIES

Monitoring, coordination & advocacy to address protection needs

- Maintain productive coordination with relevant stakeholders (UNICEF, Ministry of Education, Ministry of Higher Education and UNESCO);
- Provide technical support for the merged working group handling the basic, secondary and higher education;
- Strengthen Cross-Sector Coordination to ensure safe and equal educational opportunities for all refugee children;
- Advocate for the strengthening of national policies, namely the National Education Strategy Plan (ESP), through supporting the implementation of the plan;
- Advocate for the inclusion of all refugee students to the formal and national educational system;
- Implement partner capacity building and safeguards for education staff.

Strengthen community-based support to education

- Strengthen implementation, coordination and technical capacity of partners delivering education projects in the community;
- Delivery of Early Intervention and Special Education programmes in the community setting;
- Capacity building for teachers, carers and parents to cater for education needs of children with disabilities or learning difficulties;
- Exploring opportunities with partners and stakeholders advocating for educational inclusion of children with disabilities.

Expand and diversify access to tertiary education opportunities

- Advocate to expand in-country universities and third country scholarship opportunities;
- Countrywide outreach strategy to disseminate information on tertiary education opportunities, as well as membership in scholarship selection panels;
- Provide academic extra circular support programmes to tertiary education students;
- Engage with private sector education service providers.

Community learning & innovation education hubs

- Expand digital/connected learning community hubs;
- Provide digital learning services "Kolibri" platform in all community centres countrywide;
- Training for the faculty of some private and public Jordanian universities on how to implement connected learning in different academic programmes;
- Countrywide focus group discussions with youth and adolescents on the impact of blended/connected learning opportunities.
