

Serbia

Serbia hosts almost **26,350** refugees and **198,550** IDPs, and some **1,950** persons at risk of statelessness.

Persons in need of international protection amongst newly arriving third country nationals (over **5,500** in 1 Jan- 15 Mar 2020) are supported in requesting and being granted asylum and local integration. Most displaced from the region have found solutions, while cases and threat of statelessness have been reduced.

UNHCR continues to support the Government in strengthening the national asylum system to secure institutional protection and sustainable solutions.
