Needs for Jordan Resettlement

- Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan;
- Resettlement is also a durable solution and a protection tool based on criteria related to protection rather than integration potential in the resettlement country
- UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs

Resettlement Process

Pre-Processing
Identification, screening, counselling & scheduling

Resettlement Processing
Interview, review & submission

Post-Submission Follow-up
inquiries, support for selection missions
