Service

The image shows a mobile application interface for a service called 'Day Center'. At the top, there is a status bar with icons for navigation, signal, and battery (40% at 14:53). Below the status bar is a header with a back arrow and the title 'Day Center' in blue. The main content area describes the service as a day centre offering meals, clothing, shower, barber, food parcels, social and legal assistance, public scribe, and cultural activities. Below this, there is a location card showing 'Rue Haute 116-118, 1000 Bruxelles' with a walking icon. A separate card lists the operating hours for each day of the week. At the bottom, there is a contact card with a phone icon and the number '003225120235'.
